(B) Prior to the delivery of this Fee Agreement, the County has adopted the Identification Resolution and enacted the Ordinance;

(C) The execution and delivery of this Fee Agreement and compliance by the County with the terms and conditions thereof will not constitute a material breach of, or a material default under any existing law, regulation, decree, or order, or any material agreement, mortgage, lease or other instrument to which the County is subject or by which it is bound; and

(D) To the best of its knowledge, no actions, suits, proceedings, inquiries or investigations are pending or threatened against or affecting the County in any court or before any governmental authority or arbitration board or tribunal that would materially adversely affect the validity or enforceability of this Fee Agreement.

2.2. Representations and Warranties by Company

The Company represents and warrants that:

(A) The Company is a corporation organized and in good standing under the laws of the State of Delaware, is authorized to transact business in the State of South Carolina, and has power to enter into this Fee Agreement, and, by proper action, has been duly authorized to execute and deliver this Fee Agreement;

(B) The execution and delivery of this Fee Agreement and compliance by the Company with the terms and conditions hereof will not constitute a material breach of, or a material default under, (i) any existing law, regulation, decree, or order, or (ii) any material term, condition, or provision of any corporate restriction or any agreement or instrument to which the Company is now a party or by which it is bound; and will not result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Company that would materially restrict the Company’s ability to make any payments hereunder, other than as may be permitted by this Fee Agreement;

(C) No event has occurred and no condition exists with respect to the Company that would constitute an “Event of Default” as described in Section 7.1 hereof;

(D) The Company intends to operate the Project for the purposes permitted by this Fee Agreement or the Act or other purposes expressly agreed upon in writing by the parties;

(E) The execution of this Fee Agreement by the County and the Company has been instrumental in inducing the Company to expand its Facility in the County and in the State;

(G) The Project constitutes or will constitute a “project” within the meaning of the Act.

(H) The Company shall comply with the County Reporting Requirements.

3. CONSTRUCTION, ACQUISITION, AND PURCHASE OF PROJECT

3.1. Construction and Acquisition of Project

The Company shall construct and acquire the Project and shall do all other things deemed necessary by the Company in connection with the Project. The Company shall identify in writing, to the extent required by the Department of Revenue, any portion of the Project placed in service that is not then already adequately described in this Fee Agreement or supplements thereto as a portion of the Project. The Company shall maintain such records in connection with the construction or acquisition of the Project as are reasonably necessary to (i) permit ready identification thereof and (ii) confirm the date(s) on which the Project or portions of the Project were placed in service.

3.2. Completion Date

The Completion Date shall be evidenced to the County by a written statement by an Authorized Company Representative certifying the Completion Date and stating that, to the best of his knowledge and information, the acquisition or construction of the Project, or a phase thereof, has been completed and placed in service as of the stated Completion Date and shall state the total cost as of the Completion Date. The certificate of completion may state that it is given without prejudice to any rights against third parties that exist at the date of such certificate or which may subsequently come into being.

3.3. Completion of the Project

The Company shall cause the Project to be completed and shall pay or cause to be paid all of the Cost of the Project, provided that this shall not be deemed to preclude financing of some or all of the Cost of the Project on such terms as the Company shall determine.

3.4. Amendments to Exhibits B and C

The Company may supplement *Exhibit B* and *Exhibit C* from time to time provided that the supplements are consistent with the terms of this Fee Agreement and the Act and notice of such supplement is given to the County in accordance with the notice provisions of this Fee Agreement.

3.5. Minimum Investment

Beginning on the Commencement Date and ending on the Completion Date, the Company will invest at least \$7,000,000 in taxable property constituting part of the Project (“Minimum Investment Threshold”).

3.6. Licenses and Permits; Assistance in Obtaining

To the extent permitted by law, the County will use its reasonable best efforts to expedite all building and construction permit applications and will use its reasonable best efforts to assist the Company in securing all other state, county and local construction, environmental and other permits, approvals and consents which may be necessary or desirable in connection with the Project on a timely basis.

If any application is made to a governmental or other agency by the Company or the County for any permit, license, or approval to do or to perform certain things necessary for the proper performance of this Fee Agreement, the Company and the County shall execute, upon the request of the other party, such applications as may reasonably be requested or required.

4. TERM, FEES AND ADDITIONAL PAYMENTS

4.1. Term

Subject to the provisions herein, this Fee Agreement shall be and remain in full force and effect for a term (“Term”) commencing on the Commencement Date, and, unless earlier terminated in accordance with this Fee Agreement, ending at midnight on December 31 of the 20th year after the last year during which any portion of the Project is placed in service or the last FILOT Payment hereunder, whichever is later.

4.2. FILOT Payments

The Company shall pay to the County all amounts due and payable as FILOT Payments pursuant to Section 5.1 hereof. Unless otherwise expressly provided in the Act, returns for the FILOT Payments shall be filed and FILOT Payments shall be payable at the same time, and subject to the same penalty assessments, that *ad valorem* property tax returns and tax payments for the Project would otherwise be due and payable under applicable State law and regulations in the absence of this Fee Agreement.

4.3. Additional Payments

In addition to the Fee Payments and other amounts payable under Section 5.1, the Company shall pay, as “Additional Payments,” to or on behalf of the County any Administrative Expenses and any other amounts payable by the Company under this Agreement. Such Additional Payments shall be payable by the Company within 30 calendar days of receipt by the Company from the County of a statement in writing indicating in reasonable detail the amount of such Additional Payments and the reason they have been incurred.

4.4. Failure to Pay in a Timely Manner

If the Company fails to make in a timely manner any of the payments required in this Article 4, the item or installment so in default shall continue as an obligation of the Company until the amount in default shall have been fully paid, together with interest and penalties for which the Company is liable under applicable law thereon, along with Administrative Expenses, from the date the payment was due, at the rate per annum which is equal to the rate required by law for late payment of *ad valorem* taxes or, in the case of the FILOT Payments, an amount equal to any interest required by law for late payment of comparable *ad valorem* property taxes. In the event of any failure on the part of the Company to pay any such amounts, liabilities or obligations, the County shall have all rights, powers and remedies provided for herein, by law, equity or otherwise, including without limitation with respect to non-payment of FILOT Payments hereunder the imposition and enforcement of a lien against the Project for tax purposes, as provided in Section 12-44-90 of the Act and the collection of Administrative Expenses.

5. FILOT PAYMENTS AND TAX CREDITS

5.1. *FILOT Payments; Calculation and Timing*

(A) The parties acknowledge that during the Term of this Fee Agreement, the Project is exempt from *ad valorem* property taxes. However, in lieu of *ad valorem* property taxes, the Company shall make 20 annual FILOT Payments for each portion of the Project placed in service each year during the Project Period.

(B) The amount of FILOT Payments due and payable shall be that which would be due in *ad valorem* property taxes if the Project were subject to *ad valorem* property taxes, but using (i) an assessment ratio of 8.5%, (ii) a millage rate of 402.9 mills (which millage rate shall remain applicable and fixed throughout the Term of this Fee Agreement), and (iii) a fair market value of the Project to be determined according to the Act (“Fair Market Value”).

(C) Pursuant to Section 12-44-60 of the Act, the Company may elect to include Replacement Property as part of the Project to the maximum extent permitted by the Act.

(D) Any part of the Project subject to the fee payment may be disposed of, and the Fair Market Value of the Project used to calculate FILOT Payments shall be reduced by the Fair Market Value of the disposed property.

(E) If the Act, any portion of the Act, and/or the FILOT Payments are declared invalid or unenforceable, in whole or in part, for any reason, the Company and the County intend that this Fee Agreement be reformed so as to afford the Company with a benefit that is commensurate with the benefit provided under this Fee Agreement. If the Project is not eligible for FILOT Payments, the Company shall be entitled to receive (i) the five-year exemption from *ad valorem* taxes (or fees in lieu of taxes) provided by South Carolina Constitution Article X, Section 3, and any other exemption allowed by law from time to time; (ii) all allowable depreciation, allowances and adjustments to Fair Market Value; and (iii) such other credits, abatements and exemptions from *ad valorem* taxes, as are allowed by law.

(F) If the Company does not meet the Minimum Investment Threshold as of the Completion Date, the Company prospectively loses the benefit of this Fee Agreement and the Project reverts to normal *ad valorem* taxation and the Company shall repay the County the full amount of the difference between the FILOT Payments and the amount of *ad valorem* property taxes that would have otherwise been due and payable by the Company if the Project were subject to *ad valorem* property taxes since the Commencement Date. The Company shall make any such repayment no later than 90 days after the Completion Date.

5.2. *Tax Deductions, Credits and Exemptions*

Unless otherwise precluded by the Act, applicable law or judicial decision, the Company shall be entitled to all applicable federal, state and local investment tax credits, exemptions, allowances and deductions for depreciation and diminution in value, and other similar tax relief provisions relating to the Project. At the request of the Company, the County shall do all things as are reasonably necessary or proper to confirm and receive those benefits, provided the Company shall pay the expenses incurred in that undertaking.

5.3. *Abating FILOT Payments*

If the Project is damaged or destroyed, the subject of condemnation proceedings, or otherwise adversely impacted by theft, casualty, or other cause, and the damage, destruction, condemnation, or

adverse impact reduces the Project's fair market value, the FILOT Payments shall be abated in the same manner as *ad valorem* property taxes would be abated if the Project were subject to *ad valorem* property taxes to the fullest extent allowed by the Act.

6. OTHER COVENANTS

6.1. Use of Project

The Company shall have the right during the Term of this Fee Agreement to use the Project, as a project, for any lawful purpose authorized by the Act. At the time of entering into this Fee Agreement, however, it is the intent of the Company to use the Project for the primary purpose of manufacturing pet food and related activities.

6.2. Limitation of County's Liability

Anything herein to the contrary notwithstanding, any obligation the County may incur hereunder, including an obligation for the payment of money, shall not be deemed to constitute a debt or general obligation of the County but shall be payable solely and exclusively from the revenues and receipts derived by the County from this Fee Agreement, and the Project gives rise to no pecuniary liability of the County or a charge against its general credit or taxing power.

6.3. No Liability of County Personnel

All covenants, agreements and obligations of the County contained herein shall be deemed to be covenants, agreements and obligations of the County and not of any member of the County Council or any officer, agent, servant or employee of the County in his individual capacity.

6.4. Transfer of Project; Financing

To the extent permitted by Section 12-44-120(A) of the Act, (a) an interest in this Fee Agreement and the Project, or (b) an equity interest or other interest in an entity with an interest in this Fee Agreement or the Project, or both, may be transferred to another entity at any time; provided that the Company shall not be released from its obligations without the County's prior written consent. Whenever consent of the County is required under the Act or this Fee Agreement for any of the foregoing transactions, such consent shall not be unreasonably withheld.

6.5. Financing

Financing, lending, security, sale-leaseback, assignments, leases, subleases, or similar arrangements are permitted in accordance with Sections 12-44-120(B) and (C) of the Act. The Company shall cause the County and the Department of Revenue to be notified of a financing-related transfer of the Fee Agreement or the Project within 60 days of such transfer. Such notice shall be in writing and shall include the identity of each transferee and any other information required by the Department of Revenue with any appropriate returns.

6.6. Leasing of Project

The Company may at any time lease or sublease the Project or portions of the Project on such terms as the Company may determine in its sole discretion, provided that such terms are not inconsistent with this Fee Agreement. No lease or sublease shall reduce any of the obligations of the Company hereunder unless expressly approved in writing by the County.

6.7. Filing of Annual Report of Investment in Project

The Company shall provide to the County a copy of the annual return to the Department of Revenue or equivalent showing the investment of the Company in the Project (as of the Effective Date, Form PT-300S). The County shall accord this information the same degree of confidentiality as is required for the Department of Revenue. The Company shall also make all other filings required from time to time by Section 12-44-90 of the Act.

6.8 Waiver of Statutorily Required Recapitulation

Pursuant to Section 12-44-55(B) of the Act, the County and the Company and any Sponsors waive any and all compliance with any and all of the provisions, items, or requirements of Section 12-44-55.

6.9 Indemnification

(a) Company shall and agrees to indemnify and save the County, its County Council members, officers, employees or agents, present and future, and past County employees or agents who have worked on the Project and any documents or matters related to the Project (each, an “Indemnified Party”), harmless against and from all claims by or on behalf of any person, firm, or corporation arising from the conduct or management of, or from any work or thing done on the Project during the Term, and, Company, further, releases each Indemnified Party from and shall indemnify and save each Indemnified Party harmless against and from all claims arising during the Term from (i) any condition of the Project, (ii) any breach or default on the part of Company in the performance of any of its obligations under this Fee Agreement, (iii) any act of negligence of Company or any of its agents, contractors, servants, employees, or licensees, (iv) any act of negligence of any assignee or sublessee of Company, or of any agents, contractors, servants, employees, or licensees of any assignee or sublessee of Company, (v) any environmental violation, condition, or effect, or (vi) the administration by any Indemnified Party of this Fee Agreement or the performance by any Indemnified Party of the County’s obligations hereunder. Company shall indemnify and save each Indemnified Party harmless from and against all reasonable costs and expenses incurred in or in connection with any such claim arising as aforesaid or in connection with any action or proceeding brought thereon, and upon notice from the County or any other Indemnified Party, Company shall defend it in any such action, prosecution, or proceeding.

(b) Notwithstanding the fact that it is the intention of the parties that each Indemnified Party shall not incur pecuniary liability by reason of the terms of this Fee Agreement, or the undertakings required of the County hereunder, by reason of the performance of any act requested of it by the Company, or by reason of the operation of the Project by the Company, including all claims, liabilities, or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if an Indemnified Party should incur any such pecuniary liability, then in such event the Company shall indemnify and hold that Indemnified Party harmless against all claims by or on behalf of any person, firm, or corporation, arising out of the same, and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice, the Company shall defend them in any such action or proceeding.

These indemnification covenants shall be considered included in and incorporated by reference in subsequent documents after the closing which the County is requested to sign, and any other indemnification covenants in any subsequent documents shall not be construed to reduce or limit the above indemnification covenants.

7. EVENTS OF DEFAULT AND REMEDIES

7.1. *Events of Default by Company*

Any one or more of the following events shall constitute an “Event of Default” by Company:

(A) if default shall occur in the due and punctual payment of any Additional Payments to the County, which default shall not have been cured within 30 days following receipt of written notice thereof from the County;

(B) if FILOT Payments, together with any interest or penalties thereon, shall not have been paid within the maximum time that would be permitted by law if the Project were subject to *ad valorem* property taxes;

(C) if the Company shall fail to perform or comply with any other terms of this Fee Agreement, other than those referred to in the foregoing Subsections (A) or (B), and such default shall (i) continue for 30 calendar days after the County has given the Company written notice of such default, or (ii) in the case of any such default that can be cured, but cannot be cured with due diligence within such 30 day period, if the Company shall fail to proceed promptly and with due diligence to cure the same within such additional period as may be necessary to complete the curing of the same with all due diligence not to exceed 90 days;

(D) if the Company shall file a voluntary petition seeking an order for relief in bankruptcy; or shall be adjudicated insolvent; or shall file any petition or answer or commence a case seeking reorganization, composition, readjustment, liquidation or similar order for relief for itself under any present or future statute, law or regulation; or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of the Company or of the Project; or shall make any general assignment for the benefit of creditors; or shall admit in writing its inability to pay its debts generally as they become due;

In all events, if the Company fails to make Fee Payments due under Section 5.1, the County shall have the same enforcement, lien, and collection rights and remedies as it would have had for the non-payment of *ad valorem* taxes.

7.3. Default by County

STATE OF SOUTH CAROLINA
COUNTY COUNCIL FOR RICHLAND COUNTY
ORDINANCE NO. _____ -11HR

AN ORDINANCE AUTHORIZING THE ISSUANCE AND SALE OF GENERAL OBLIGATION REFUNDING BONDS, IN ONE OR MORE SERIES, WITH APPROPRIATE SERIES DESIGNATIONS, IN AN AGGREGATE AMOUNT SUFFICIENT TO REFUND CERTAIN MATURITIES OF OUTSTANDING BONDS OF RICHLAND COUNTY, SOUTH CAROLINA; FIXING THE FORM AND DETAILS OF THE BONDS; DELEGATING TO THE COUNTY ADMINISTRATOR CERTAIN AUTHORITY RELATED TO THE BONDS; PROVIDING FOR THE PAYMENT OF THE BONDS AND THE DISPOSITION OF THE PROCEEDS THEREOF; AND OTHER MATTERS RELATING THERETO.

Pursuant to the authority by the Constitution of the State of South Carolina and the General Assembly of the State of South Carolina, BE IT ENACTED BY RICHLAND COUNTY COUNCIL:

SECTION 1. Findings and Determinations. The County Council (the "County Council") of Richland County, South Carolina (the "County"), hereby finds and determines:

(a) Pursuant to Section 4-9-10, Code of Laws of South Carolina 1976, as amended, the County operates under the Council-Administrator form of government and the County Council constitutes the governing body of the County.

(b) Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended (the "Constitution"), provides that each county shall have the power to incur bonded indebtedness in such manner and upon such terms and conditions as the General Assembly shall prescribe by general law. Such debt must be incurred for a public purpose and a corporate purpose in an amount not exceeding eight percent (8%) of the assessed value of all taxable property of such county.

(c) Pursuant to Title 4, Chapter 15 of the Code (the same being and hereinafter referred to as the "County Bond Act"), the governing bodies of the several counties of the State may each issue general obligation bonds to defray the cost of any authorized purpose and for any amount not exceeding their applicable constitutional limit.

(d) The County Bond Act provides that as a condition precedent to the issuance of bonds an election be held and the result be favorable thereto. Title 11, Chapter 27 of the Code of Laws of South Carolina 1976, as amended, provides that if an election be prescribed by the provisions of the County Bond Act, but not be required by the provisions of Article X of the Constitution, then in every such instance, no election need be held (notwithstanding the requirement therefor) and the remaining provisions of the County Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions.

(e) The assessed value of all the taxable property in the County as of June 30, 2010, for purposes of computation of the County's constitutional debt limit, is \$1,487,350,825 which excludes exempt manufacturing property of \$17,618,900. Eight percent of such sum is \$118,988,066. As of the date hereof, the outstanding general obligation debt of the County subject to the limitation imposed by Article X, Section 14(7) of the Constitution is \$42,490,000. Thus, the County may incur not exceeding \$76,498,066 of additional general obligation debt within its applicable debt limitation.

(f) Pursuant to constitutional and statutory authorizations and Ordinance No. 041-01HR duly enacted by the County Council on June 19, 2001 (the “2001A Ordinance”), the County issued its \$20,600,000 General Obligation Bonds, Series 2001A, dated August 1, 2001 (the “Series 2001A Bonds”).

(g) The 2001A Bonds are subject to the 8% constitutional debt limit. The difference between the outstanding principal amount of the maturities to be refunded of the 2001A Bonds and the amount needed to refund the certain maturities of the 2001A Bonds will also count against the County's 8% constitutional debt limit.

(h) Pursuant to constitutional and statutory authorizations and Ordinance No. 049-01HR duly enacted by the County Council on July 17, 2001 (the “2001C Ordinance, together with the Series 2001A Ordinance, the “2001 Ordinances”), the County issued its \$13,435,000 General Obligation Refunding Bonds, Series 2001C, dated August 1, 2001 (the “Series 2001C Bonds”).

(i) The 2001C Bonds are subject to the 8% constitutional debt limit. The difference between the outstanding principal amount of the maturities to be refunded of the 2001C Bonds and the amount needed to refund the certain maturities of the 2001C Bonds will also count against the County's 8% constitutional debt limit.

(j) The Series 2001A Bonds are currently outstanding in the amount of \$5,315,000. The Series 2001A Bonds maturing on or after March 1, 2013, are subject to redemption at the option of the County on or after March 1, 2012, in whole or in part at any time, at a redemption price of par together with the interest accrued thereon to the date fixed for redemption.

(k) The Series 2001C Bonds are currently outstanding in the amount of \$5,435,000. The Series 2001C Bonds maturing on or after March 1, 2013, are subject to redemption at the option of the County on or after March 1, 2012, in whole or in part at any time, at a redemption price of par together with the interest accrued thereon to the date fixed for redemption.

(l) Title 11, Chapter 21 of the S.C. Code provides that any public agency may utilize the provisions of Title 11, Chapter 15, Article 5 as amplified by Title 11, Chapter 21 of the Code of Laws of South Carolina 1976, as amended (the “Refunding Act”) to effect the refunding of any of its outstanding bonds. The Refunding Act authorizes and provides the procedure for the issuance of general obligation bonds whose proceeds are to be used to pay, in whole or in part, sums due on general obligation bonds previously issued and further provides that any issuer may issue general obligations bonds to such extent as such issuer shall be indebted by way of principal, interest, and redemption premium upon any outstanding general obligation bonds.

(m) Based on current market conditions and projected savings, the County Council finds that it is in the best interest of the County to effect a refunding of certain maturities of the Series 2001A Bonds and the Series 2001C Bonds (together, the “Bonds to be Refunded”) because a savings can be effected through the refunding of such Series 2001A Bonds and Series 2001C Bonds. The County Council recognizes, however, that current market conditions may change and that, as of the date of enactment of this Ordinance, a determination cannot be made as to the amount of such savings, if any, realized through the refunding of the Bonds to be Refunded and that certain authority relating to such refunding is delegated to the County Administrator (the “Administrator”) and/or his lawfully-authorized designee through this Ordinance. Because the Refunding Act requires that refunding bonds be sold at public sale, there can be no assurance that market conditions at the time of such sale will be similar to the prevailing rates on the date of the enactment of this Ordinance. If the rates of interest on the refunding bonds authorized by this Ordinance do not result in satisfactory debt service savings, the County Council, through the authority delegated to the

Administrator and/or his lawfully-authorized designee, will be empowered to reject bids for the purchase of the refunding bonds.

(n) It is now in the best interest of the County for the County Council to provide for the issuance and sale of general obligation refunding bonds of the County pursuant to the aforesaid provisions of the Constitution and laws of the State of South Carolina, the proceeds of which will be used to provide funds for: (i) refunding the Bonds to be Refunded; (ii) paying costs of issuance of the bonds; and (iii) such other lawful corporate and public purposes as the County Council shall determine.

SECTION 2. Authorization and Details of Bonds. Pursuant to the aforesaid provisions of the Constitution and laws of the State, there is hereby authorized to be issued general obligation refunding bonds of the County to be designated “[Amount Issued] General Obligation Refunding Bonds, [Series Designation], of Richland County, South Carolina” (the “Bonds”) for the purpose stated in Section 1(n) of this Ordinance.

The refunding of the Bonds to be Refunded shall be effected with a portion of the proceeds of the Bonds which proceeds shall be used for the payment of the principal of such Bonds to be Refunded as and when such Bonds to be Refunded mature and are called for redemption in accordance with the provisions of the 2001 Ordinances and interest on such Bonds to be Refunded as and when the same becomes due. If necessary, notice of the aforesaid refunding for which a portion of the proceeds of the Bonds will be used shall be given in a financial paper published in the City of New York, State of New York.

Upon the delivery of the Bonds, the principal proceeds thereof, less issuance expenses, shall be deposited with The Bank of New York Mellon Trust Company, N.A. (the “Escrow Agent”) and held by it under a written refunding trust agreement between the Escrow Agent and the County (the “Refunding Trust Agreement”) in an irrevocable trust account. It shall be the duty of such Escrow Agent to keep such proceeds invested and reinvested to the extent that it shall be practical in obligations of the United States or any agency thereof and to apply the principal and interest of the trust so established in the manner prescribed in such Refunding Trust Agreement.

The Administrator and/or his lawfully-authorized designee are hereby authorized and directed for and on behalf of the County to execute such agreements and give such directions as shall be necessary to carry out the provisions of this Ordinance, including the execution and delivery of the Refunding Trust Agreement. The Refunding Trust Agreement shall be dated the date of delivery of the Bonds to the initial purchasers thereof.

Upon the award of the Bonds, the County shall designate the Bonds to be Refunded for redemption on a date determined by the Administrator and/or his lawfully-authorized designee in accordance with the 2001 Ordinances.

The Bonds shall be issued as fully registered Bonds registerable as to principal and interest; shall be dated as of the first day of the month in which they are delivered to the initial purchaser(s) thereof; shall be in denominations of \$5,000 or any integral multiple thereof not exceeding principal amount of Bonds maturing each year; shall be numbered from R-1 upward, respectively; shall bear interest from their date payable at such times as hereafter designated by the Administrator at such rate or rates as may be determined by the Administrator at the time of sale thereof; and shall mature serially in successive annual installments as determined by the Administrator.

Within twenty-four (24) hours after the receipt of bids, the Administrator is hereby authorized to designate the registrar and paying agent (the “Registrar/Paying Agent”) for the Bonds. The

Registrar/Paying Agent shall be a bank, trust company, depository or transfer agent located either within or without the State of South Carolina.

Both the principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which is, at the time of payment, legal tender for public and private debts.

By separate ordinance, the County intends to authorize the issuance and sale of general obligation refunding bonds in an amount sufficient to refund all or a portion of the County's \$6,275,000 Sewer System General Obligation Refunding Bonds, Series 2003E dated September 1, 2003 (the "Series 2003E Bonds").

SECTION 3. Delegation of Authority Relating to the Bonds. The County Council hereby delegates to the Administrator the authority: (a) to determine the maturity dates of the Bonds and the respective principal amounts maturing on such dates; (b) to determine the interest payment dates of the Bonds; (c) to determine redemption provisions, if any, for the Bonds; (d) the date and time of sale of the Bonds; (e) to receive bids on behalf of the County Council; (f) to award the sale of the Bonds to the lowest bidder therefor in accordance with the terms of the Notice of Sale for the Bonds; (g) for purposes of continuing disclosure, whether the County shall execute a Disclosure Dissemination Agent Agreement or a Continuing Disclosure Certificate and approval of the provisions thereof; and (h) to determine whether a series of bonds authorized herein shall be sold together with the bonds authorized to be issued and sold to refund the Series 2003E Bonds.

After the sale of the Bonds, the Administrator or his lawfully-authorized designee shall submit a written report to the County Council setting forth the results of the sale of the Bonds.

SECTION 4. Registration, Transfer and Exchange of Bonds. The County shall cause books (herein referred to as the "registry books") to be kept at the offices of the Registrar/Paying Agent, for the registration and transfer of the Bonds. Upon presentation at its office for such purpose the Registrar/Paying Agent shall register or transfer, or cause to be registered or transferred, on such registry books, the Bonds under such reasonable regulations as the Registrar/Paying Agent may prescribe.

Each Bond shall be transferable only upon the registry books of the County, which shall be kept for such purpose at the principal office of the Registrar/Paying Agent, by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar/Paying Agent duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such Bond the Registrar/Paying Agent on behalf of the County shall issue in the name of the transferee a new fully-registered Bond or Bonds, of the same aggregate principal amount, interest rate and maturity as the surrendered Bond. Any Bond surrendered in exchange for a new registered Bond pursuant to this Section shall be canceled by the Registrar/Paying Agent.

The County and the Registrar/Paying Agent may deem or treat the person in whose name any fully-registered Bond shall be registered upon the registry books as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County nor the Registrar/Paying Agent shall be affected by any notice to the contrary. For every such transfer of Bonds, the County or the Registrar/Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer, and, except as otherwise provided herein, may charge a sum sufficient to pay the cost of preparing each Bond issued upon such transfer, which sum or sums shall be paid by the person requesting such transfer or by the County as a condition precedent to the exercise of the privilege of making

such transfer. Neither the County nor the Registrar/Paying Agent shall be obliged to make any such transfer of Bonds during the fifteen (15) days preceding an interest payment date on such Bonds.

SECTION 5. Record Date. The County hereby establishes a record date for the payment of interest or for the giving of notice of any proposed redemption of Bonds, and such record date shall be the fifteenth (15th) day of the calendar month preceding each semiannual interest payment date on such Bond or in the case of any proposed redemption of Bonds, such record date shall be the fifteenth (15th) day prior to the giving of notice of redemption of bonds.

SECTION 6. Mutilation, Loss, Theft or Destruction of Bonds. In case any Bond shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the owner, the County shall execute and the Registrar shall authenticate and deliver at the principal office of the Registrar, or send by registered mail to the owner thereof at his request, risk and expense a new Bond of the same series, interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event the applicant for the issuance of a substitute Bond shall furnish the County and the Registrar evidence or proof satisfactory to the County and the Registrar of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity in an amount as may be required by the laws of the State of South Carolina or such greater amount as may be required by the County and the Registrar. Any duplicate Bond issued under the provisions of this Section in exchange and substitution for any defaced, mutilated or partly destroyed Bond or in substitution for any allegedly lost, stolen or wholly destroyed Bond shall be entitled to the identical benefits under this Ordinance as was the original Bond in lieu of which such duplicate Bond is issued, and shall be entitled to equal and proportionate benefits with all the other Bonds of the same series issued hereunder.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

SECTION 7. Execution of Bonds. The Bonds shall be executed in the name of the County with the manual or facsimile signature of the Chair of the County Council attested by the manual or facsimile signature of the Clerk of the County Council under a facsimile of the seal of the County impressed, imprinted or reproduced thereon; provided, however, the facsimile signatures appearing on the Bonds may be those of the officers who are in office on the date of adoption of this Ordinance. The execution of the Bonds in such fashion shall be valid and effectual, notwithstanding any subsequent change in such offices. The Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. Each Bond shall bear a certificate of authentication manually executed by the Registrar in substantially the form set forth herein.

SECTION 8. Form of Bonds. The Bonds shall be in substantially the form attached hereto as Exhibit A and incorporated herein by reference.

SECTION 9. Security for Bonds. The full faith, credit, and taxing power of the county is irrevocably pledged to the payment of the Bonds. The Bonds are payable from an ad valorem tax levied annually by the Auditor of the County and collected by the Treasurer of the County.

The Council shall give the Auditor and Treasurer of the County written notice of the delivery of and payment for the Bonds and they are hereby directed to levy and collect annually, on all taxable property in the County, an ad valorem tax sufficient to pay the principal and interest of the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

SECTION 10. Notice of Initiative and Referendum. The County Council hereby delegates to the Administrator the authority to determine whether the Notice prescribed under the provisions of Title 11, Chapter 27, relating to the Initiative and Referendum provisions contained in Title 4, Chapter 9 of the Code of Laws of South Carolina 1976, as amended, shall be given with respect to this Ordinance, such notice being in substantially the form attached hereto as Exhibit B. If such notice is given, the Administrator is authorized to cause such notice to be published in a newspaper of general circulation in the County.

SECTION 11. Defeasance. The obligations of the County under this Ordinance and the pledges, covenants and agreements of the County herein made or provided for, shall be fully discharged and satisfied as to any portion of the Bonds, and such Bond or Bonds shall no longer be deemed to be outstanding hereunder when:

(a) Such Bond or Bonds shall have been purchased by the County and surrendered to the County for cancellation or otherwise surrendered to the County or the Paying Agent and is canceled or subject to cancellation by the County or the Paying Agent; or

(b) Payment of the principal of and interest on such Bonds either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with a corporate trustee in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment, or (2) Government Obligations (hereinafter defined) maturing as to principal and interest in such amounts and at such times as will ensure the availability of sufficient moneys to make such payment and all necessary and proper fees, compensation and expenses of the corporate trustee. At such time as the Bonds shall no longer be deemed to be outstanding hereunder, such Bonds shall cease to draw interest from the due date thereof and, except for the purposes of any such payment from such moneys or Government Obligations, shall no longer be secured by or entitled to the benefits of this Ordinance.

“Government Obligations” shall mean any of the following:

(a) direct obligations of the United States of America or agencies thereof or obligations, the payment of principal or interest on which, in the opinion of the Attorney General of the United States, is fully and unconditionally guaranteed by the United States of America;

(b) non-callable, U. S. Treasury Securities - State and Local Government Series (“SLGS”); and

(c) general obligation bonds of the State, its institutions, agencies, school districts and political subdivisions.

SECTION 12. Exemption from State Taxes. Both the principal of and interest on the Bonds shall be exempt, in accordance with the provisions of Section 12-2-50 of the Code, from all State, county, municipal, school district and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

SECTION 13. Eligible Securities. The Bonds initially issued (the “Initial Bonds”) will be eligible securities for the purposes of the book-entry system of transfer maintained by The Depository Trust Company, New York, New York (“DTC”), and transfers of beneficial ownership of the Initial Bonds shall be made only through DTC and its participants in accordance with rules specified by DTC. Such beneficial ownership must be of \$5,000 principal amount of Bonds of the same maturity or any integral multiple of \$5,000.

The Initial Bonds shall be issued in fully-registered form, one Bond for each of the maturities of the Bonds, in the name of Cede & Co., as the nominee of DTC. When any principal of or interest on the Initial Bonds becomes due, the Paying Agent, on behalf of the County, shall transmit to DTC an amount equal to such installment of principal and interest. DTC shall remit such payments to the beneficial owners of the Bonds or their nominees in accordance with its rules and regulations.

Notices of redemption of the Initial Bonds or any portion thereof shall be sent to DTC in accordance with the provisions of the Ordinance.

If (a) DTC determines not to continue to act as securities depository for the Bonds, or (b) the County has advised DTC of its determination that DTC is incapable of discharging its duties, the County shall attempt to retain another qualified securities depository to replace DTC. Upon receipt by the County the Initial Bonds together with an assignment duly executed by DTC, the County shall execute and deliver to the successor securities depository Bonds of the same principal amount, interest rate and maturity registered in the name of such successor.

If the County is unable to retain a qualified successor to DTC or the County has determined that it is in its best interest not to continue the book-entry system of transfer or that interests of the beneficial owners of the Bonds might be adversely affected if the book-entry system of transfer is continued (the County undertakes no obligation to make any investigation to determine the occurrence of any events that would permit it to make any such determination), and has made provision to so notify beneficial owners of the Bonds by mailing an appropriate notice to DTC, upon receipt by the County of the Initial Bonds together with an assignment duly executed by DTC, the County shall execute, authenticate and deliver to the DTC participants Bonds in fully-registered form, in substantially the form set forth in Section 2 of this Ordinance in the denomination of \$5,000 or any integral multiple thereof.

Notwithstanding the foregoing, at the request of the purchaser, the Bonds will be issued as one single fully-registered bond and not issued through the book-entry system.

SECTION 14. Sale of Bonds, Form of Notice of Sale. The Bonds shall be sold at public sale. A Notice of Sale in substantially the form attached hereto as Exhibit C and incorporated herein by reference shall be distributed to prospective bidders and a summary of such Notice of Sale shall be published in a newspaper having general circulation in the State of South Carolina or in a financial publication published in the City of New York, State of New York, or both, not less than seven (7) days prior to the date set for such sale. Appropriate modifications shall be made in the Notice of Sale if the Bonds are offered to purchase as BABs.

SECTION 15. Preliminary and Final Official Statement. The County Council hereby authorizes and directs the Administrator to prepare, or cause to be prepared, a Preliminary Official Statement to be distributed to prospective purchasers of the Bonds together with the Notice of Sale. The County Council authorizes the Administrator to designate the Preliminary Official Statement as “near final” for purposes of Rule 15c2-12 of the Securities Exchange Commission. The Administrator is further authorized to see to the completion of the final form of the Official Statement upon the sale of the Bonds so that it may be provided to the purchaser of the Bonds.

SECTION 16. Filings with Central Repository. In compliance with Section 11-1-85, South Carolina Code of Laws 1976, as amended, the County covenants that it will file or cause to be filed with a central repository for availability in the secondary bond market when requested: (a) a copy of an annual independent audit of the County within thirty (30) days of the County's receipt thereof; and (b) within thirty (30) days of the occurrence thereof, event specific information of an event which adversely affects more than five (5%) percent of the tax revenues of the County or the County's tax base.

SECTION 17. Continuing Disclosure. In compliance with the Securities and Exchange Commission Rule 15c2-12 (the "Rule") the County covenants and agrees for the benefit of the holders from time to time of the Bonds to execute and deliver prior to closing, and to thereafter comply with the terms of a Disclosure Dissemination Agent Agreement or a Continuing Disclosure Certificate, the form of which shall be approved by the Administrator. In the event of a failure of the County to comply with any of the provisions of the Disclosure Dissemination Agent Agreement or Continuing Disclosure Certificate, an event of default under this Ordinance shall not be deemed to have occurred. In such event, the sole remedy of any bondholder or beneficial owner shall be an action to compel performance by the Ordinance.

SECTION 18. Deposit and Use of Proceeds. The proceeds derived from the sale of the Bonds necessary to refund the Bonds to be Refunded shall be deposited with the Escrow Agent pursuant to the terms of the Refunding Trust Agreement. The remaining proceeds, if any, shall be deposited with the Treasurer of the County in a special fund to the credit of the County and shall be applied solely to the purposes for which the Bonds have been issued, including payment of costs of issuance of the Bonds.

SECTION 19. Notice of Public Hearing. The County Council hereby ratifies and approves the publication of a notice of public hearing regarding the Bonds and this Ordinance, such notice in substantially the form attached hereto as Exhibit D, having been published in *The State*, a newspaper of general circulation in the County, not less than 15 days prior to the date of such public hearing.

SECTION 20. Tax Covenants. The County hereby covenants and agrees with the Holders of the Bonds that it will not take any action which will, or fail to take any action which failure will, cause interest on the Bonds to become includable in the gross income of the Bondholders for federal income tax purposes pursuant to the provisions of the IRC and regulations promulgated thereunder in effect on the date of original issuance of the Bonds; provided, however, that for purposes of this covenant only, the County shall not be in violation of this covenant solely because it makes the irrevocable election under Section 54AA(d) or (g) (as applicable) of the IRC with respect to the Bonds to be issued as BABs. The County further covenants and agrees with the holders of the Bonds that no use of the proceeds of the Bonds shall be made which, if such use had been reasonably expected on the date of issue of the Bonds would have caused the Bonds to be "arbitrage bonds," as defined in Section 148 of the IRC, and to that end the County hereby shall:

- (a) comply with the applicable provisions of Sections 54AA, 103 and 141 through 150 of the IRC and any regulations promulgated thereunder so long as the Bonds are outstanding;
- (b) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the IRC relating to required rebates of certain amounts to the United States; and
- (c) make such reports of such information at the time and places required by the IRC.

SECTION 21 Miscellaneous. The County Council hereby authorizes any one or more of the following officials to execute such documents and instruments as necessary to effect the issuance of the Bonds: Chair of the County Council, Administrator, Clerk to the County Council and County Attorney. The County Council hereby retains McNair Law Firm, P.A. as bond counsel and Ross, Sinclaire & Associates, LLC, as Financial Advisor, in connection with the issuance of the Bonds. The Administrator is authorized to execute such contracts, documents or engagement letters as may be necessary and appropriate to effectuate these engagements.

All rules, regulations, resolutions and parts thereof, procedural or otherwise, in conflict herewith or the proceedings authorizing the issuance of the Bonds are, to the extent of such conflict, hereby repealed and this Ordinance shall take effect and be in full force from and after its adoption.

/s/Chair, County Council, Richland County,

STATE OF SOUTH CAROLINA
COUNTY COUNCIL FOR RICHLAND COUNTY
ORDINANCE NO. _____ -11HR

AN ORDINANCE AUTHORIZING THE ISSUANCE AND SALE OF GENERAL OBLIGATION REFUNDING BONDS, IN ONE OR MORE SERIES, WITH APPROPRIATE SERIES DESIGNATIONS, IN AN AGGREGATE AMOUNT SUFFICIENT TO REFUND CERTAIN MATURITIES OF OUTSTANDING BONDS OF RICHLAND COUNTY, SOUTH CAROLINA; FIXING THE FORM AND DETAILS OF THE BONDS; DELEGATING TO THE COUNTY ADMINISTRATOR CERTAIN AUTHORITY RELATED TO THE BONDS; PROVIDING FOR THE PAYMENT OF THE BONDS AND THE DISPOSITION OF THE PROCEEDS THEREOF; AND OTHER MATTERS RELATING THERETO.

Pursuant to the authority by the Constitution of the State of South Carolina and the General Assembly of the State of South Carolina, BE IT ENACTED BY RICHLAND COUNTY COUNCIL:

SECTION 1. Findings and Determinations. The County Council (the "County Council") of Richland County, South Carolina (the "County"), hereby finds and determines:

(a) Pursuant to Section 4-9-10, Code of Laws of South Carolina 1976, as amended, the County operates under the Council-Administrator form of government and the County Council constitutes the governing body of the County.

(b) Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended (the "Constitution"), provides that each county shall have the power to incur bonded indebtedness in such manner and upon such terms and conditions as the General Assembly shall prescribe by general law. Such debt must be incurred for a public purpose and a corporate purpose in an amount not exceeding eight percent (8%) of the assessed value of all taxable property of such county.

(c) Pursuant to Title 4, Chapter 15 of the Code (the same being and hereinafter referred to as the "County Bond Act"), the governing bodies of the several counties of the State may each issue general obligation bonds to defray the cost of any authorized purpose and for any amount not exceeding their applicable constitutional limit.

(d) The County Bond Act provides that as a condition precedent to the issuance of bonds an election be held and the result be favorable thereto. Title 11, Chapter 27 of the Code of Laws of South Carolina 1976, as amended, provides that if an election be prescribed by the provisions of the County Bond Act, but not be required by the provisions of Article X of the Constitution, then in every such instance, no election need be held (notwithstanding the requirement therefor) and the remaining provisions of the County Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions.

(e) The assessed value of all the taxable property in the County as of June 30, 2010, for purposes of computation of the County's constitutional debt limit, is \$1,487,350,825 which excludes exempt manufacturing property of \$17,618,900. Eight percent of such sum is \$118,988,066. As of the date hereof, the outstanding general obligation debt of the County subject to the limitation imposed by Article X, Section 14(7) of the Constitution is \$42,490,000. Thus, the County may incur not exceeding \$76,498,066 of additional general obligation debt within its applicable debt limitation.

(f) Pursuant to constitutional and statutory authorizations and Ordinance No. 041-01HR duly enacted by the County Council on June 19, 2001 (the “2001A Ordinance”), the County issued its \$20,600,000 General Obligation Bonds, Series 2001A, dated August 1, 2001 (the “Series 2001A Bonds”).

(g) The 2001A Bonds are subject to the 8% constitutional debt limit. The difference between the outstanding principal amount of the maturities to be refunded of the 2001A Bonds and the amount needed to refund the certain maturities of the 2001A Bonds will also count against the County's 8% constitutional debt limit.

(h) Pursuant to constitutional and statutory authorizations and Ordinance No. 049-01HR duly enacted by the County Council on July 17, 2001 (the “2001C Ordinance, together with the Series 2001A Ordinance, the “2001 Ordinances”), the County issued its \$13,435,000 General Obligation Refunding Bonds, Series 2001C, dated August 1, 2001 (the “Series 2001C Bonds”).

(i) The 2001C Bonds are subject to the 8% constitutional debt limit. The difference between the outstanding principal amount of the maturities to be refunded of the 2001C Bonds and the amount needed to refund the certain maturities of the 2001C Bonds will also count against the County's 8% constitutional debt limit.

(j) The Series 2001A Bonds are currently outstanding in the amount of \$5,315,000. The Series 2001A Bonds maturing on or after March 1, 2013, are subject to redemption at the option of the County on or after March 1, 2012, in whole or in part at any time, at a redemption price of par together with the interest accrued thereon to the date fixed for redemption.

(k) The Series 2001C Bonds are currently outstanding in the amount of \$5,435,000. The Series 2001C Bonds maturing on or after March 1, 2013, are subject to redemption at the option of the County on or after March 1, 2012, in whole or in part at any time, at a redemption price of par together with the interest accrued thereon to the date fixed for redemption.

(l) Title 11, Chapter 21 of the S.C. Code provides that any public agency may utilize the provisions of Title 11, Chapter 15, Article 5 as amplified by Title 11, Chapter 21 of the Code of Laws of South Carolina 1976, as amended (the “Refunding Act”) to effect the refunding of any of its outstanding bonds. The Refunding Act authorizes and provides the procedure for the issuance of general obligation bonds whose proceeds are to be used to pay, in whole or in part, sums due on general obligation bonds previously issued and further provides that any issuer may issue general obligations bonds to such extent as such issuer shall be indebted by way of principal, interest, and redemption premium upon any outstanding general obligation bonds.

(m) Based on current market conditions and projected savings, the County Council finds that it is in the best interest of the County to effect a refunding of certain maturities of the Series 2001A Bonds and the Series 2001C Bonds (together, the “Bonds to be Refunded”) because a savings can be effected through the refunding of such Series 2001A Bonds and Series 2001C Bonds. The County Council recognizes, however, that current market conditions may change and that, as of the date of enactment of this Ordinance, a determination cannot be made as to the amount of such savings, if any, realized through the refunding of the Bonds to be Refunded and that certain authority relating to such refunding is delegated to the County Administrator ([the “Administrator”](#)) and/or his lawfully-authorized designee through this Ordinance. Because the Refunding Act requires that refunding bonds be sold at public sale, there can be no assurance that market conditions at the time of such sale will be similar to the prevailing rates on the date of the enactment of this Ordinance. If the rates of interest on the refunding bonds authorized by this Ordinance do not result in satisfactory debt service savings, the County Council, through the authority delegated to the

~~County~~ Administrator and/or his lawfully-authorized designee, will be empowered to reject bids for the purchase of the refunding bonds.

(n) It is now in the best interest of the County for the County Council to provide for the issuance and sale of general obligation refunding bonds of the County pursuant to the aforesaid provisions of the Constitution and laws of the State of South Carolina, the proceeds of which will be used to provide funds for: (i) refunding the Bonds to be Refunded; (ii) paying costs of issuance of the bonds; and (iii) such other lawful corporate and public purposes as the County Council shall determine.

SECTION 2. Authorization and Details of Bonds. Pursuant to the aforesaid provisions of the Constitution and laws of the State, there is hereby authorized to be issued general obligation refunding bonds of the County to be designated “[Amount Issued] General Obligation Refunding Bonds, [Series Designation], of Richland County, South Carolina” (the “Bonds”) for the purpose stated in Section 1(n) of this Ordinance.

The refunding of the Bonds to be Refunded shall be effected with a portion of the proceeds of the Bonds which proceeds shall be used for the payment of the principal of such Bonds to be Refunded as and when such Bonds to be Refunded mature and are called for redemption in accordance with the provisions of the 2001 Ordinances and interest on such Bonds to be Refunded as and when the same becomes due. If necessary, notice of the aforesaid refunding for which a portion of the proceeds of the Bonds will be used shall be given in a financial paper published in the City of New York, State of New York.

Upon the delivery of the Bonds, the principal proceeds thereof, less issuance expenses, shall be deposited with The Bank of New York Mellon Trust Company, N.A. (the “Escrow Agent”) and held by it under a written refunding trust agreement between the Escrow Agent and the County (the “Refunding Trust Agreement”) in an irrevocable trust account. It shall be the duty of such Escrow Agent to keep such proceeds invested and reinvested to the extent that it shall be practical in obligations of the United States or any agency thereof and to apply the principal and interest of the trust so established in the manner prescribed in such Refunding Trust Agreement.

The ~~County~~ Administrator and/or his lawfully-authorized designee are hereby authorized and directed for and on behalf of the County to execute such agreements and give such directions as shall be necessary to carry out the provisions of this Ordinance, including the execution and delivery of the Refunding Trust Agreement. The Refunding Trust Agreement shall be dated the date of delivery of the Bonds to the initial purchasers thereof.

Upon the award of the Bonds, the County shall designate the Bonds to be Refunded for redemption on a date determined by the ~~County~~ Administrator and/or his lawfully-authorized designee in accordance with the 2001 Ordinances.

The Bonds shall be issued as fully registered Bonds registerable as to principal and interest; shall be dated as of the first day of the month in which they are delivered to the initial purchaser(s) thereof; shall be in denominations of \$5,000 or any integral multiple thereof not exceeding principal amount of Bonds maturing each year; shall be numbered from R-1 upward, respectively; shall bear interest from their date payable at such times as hereafter designated by the Administrator ~~of the County (the “Administrator”)~~ at such rate or rates as may be determined by the Administrator at the time of sale thereof; and shall mature serially in successive annual installments as determined by the Administrator.

Within twenty-four (24) hours after the receipt of bids, the ~~County~~ Administrator is hereby authorized to designate the registrar and paying agent (the “Registrar/Paying Agent”) for the Bonds. The

Registrar/Paying Agent shall be a bank, trust company, depository or transfer agent located either within or without the State of South Carolina.

Both the principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which is, at the time of payment, legal tender for public and private debts.

By separate ordinance, the County intends to authorize the issuance and sale of general obligation refunding bonds in an amount sufficient to refund all or a portion of the County's \$6,275,000 Sewer System General Obligation Refunding Bonds, Series 2003E dated September 1, 2003 (the "Series 2003E Bonds").

SECTION 3. Delegation of Authority Relating to the Bonds. The County Council hereby delegates to the Administrator the authority: (a) to determine the maturity dates of the Bonds and the respective principal amounts maturing on such dates; (b) to determine the interest payment dates of the Bonds; (c) to determine redemption provisions, if any, for the Bonds; (d) the date and time of sale of the Bonds; (e) to receive bids on behalf of the County Council; (f) to award the sale of the Bonds to the lowest bidder therefor in accordance with the terms of the Notice of Sale for the Bonds; (g) for purposes of continuing disclosure, whether the County shall execute a Disclosure Dissemination Agent Agreement or a Continuing Disclosure Certificate and approval of the provisions thereof; and (h) to determine whether a series of bonds authorized herein shall be sold together with the bonds authorized to be issued and sold to refund the Series 2003E Bonds.

After the sale of the Bonds, the Administrator or his lawfully-authorized designee shall submit a written report to the County Council setting forth the results of the sale of the Bonds.

SECTION 4. Registration, Transfer and Exchange of Bonds. The County shall cause books (herein referred to as the "registry books") to be kept at the offices of the Registrar/Paying Agent, for the registration and transfer of the Bonds. Upon presentation at its office for such purpose the Registrar/Paying Agent shall register or transfer, or cause to be registered or transferred, on such registry books, the Bonds under such reasonable regulations as the Registrar/Paying Agent may prescribe.

Each Bond shall be transferable only upon the registry books of the County, which shall be kept for such purpose at the principal office of the Registrar/Paying Agent, by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar/Paying Agent duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such Bond the Registrar/Paying Agent on behalf of the County shall issue in the name of the transferee a new fully-registered Bond or Bonds, of the same aggregate principal amount, interest rate and maturity as the surrendered Bond. Any Bond surrendered in exchange for a new registered Bond pursuant to this Section shall be canceled by the Registrar/Paying Agent.

The County and the Registrar/Paying Agent may deem or treat the person in whose name any fully-registered Bond shall be registered upon the registry books as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County nor the Registrar/Paying Agent shall be affected by any notice to the contrary. For every such transfer of Bonds, the County or the Registrar/Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer, and, except as otherwise provided herein, may charge a sum sufficient to pay the cost of preparing each Bond issued upon such transfer, which sum or sums shall be paid by the person requesting such transfer or by the County as a condition precedent to the exercise of the privilege of making

such transfer. Neither the County nor the Registrar/Paying Agent shall be obliged to make any such transfer of Bonds during the fifteen (15) days preceding an interest payment date on such Bonds.

SECTION 5. Record Date. The County hereby establishes a record date for the payment of interest or for the giving of notice of any proposed redemption of Bonds, and such record date shall be the fifteenth (15th) day of the calendar month preceding each semiannual interest payment date on such Bond or in the case of any proposed redemption of Bonds, such record date shall be the fifteenth (15th) day prior to the giving of notice of redemption of bonds.

SECTION 6. Mutilation, Loss, Theft or Destruction of Bonds. In case any Bond shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the owner, the County shall execute and the Registrar shall authenticate and deliver at the principal office of the Registrar, or send by registered mail to the owner thereof at his request, risk and expense a new Bond of the same series, interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event the applicant for the issuance of a substitute Bond shall furnish the County and the Registrar evidence or proof satisfactory to the County and the Registrar of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity in an amount as may be required by the laws of the State of South Carolina or such greater amount as may be required by the County and the Registrar. Any duplicate Bond issued under the provisions of this Section in exchange and substitution for any defaced, mutilated or partly destroyed Bond or in substitution for any allegedly lost, stolen or wholly destroyed Bond shall be entitled to the identical benefits under this Ordinance as was the original Bond in lieu of which such duplicate Bond is issued, and shall be entitled to equal and proportionate benefits with all the other Bonds of the same series issued hereunder.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

SECTION 7. Execution of Bonds. The Bonds shall be executed in the name of the County with the manual or facsimile signature of the Chair of the County Council attested by the manual or facsimile signature of the Clerk of the County Council under a facsimile of the seal of the County impressed, imprinted or reproduced thereon; provided, however, the facsimile signatures appearing on the Bonds may be those of the officers who are in office on the date of adoption of this Ordinance. The execution of the Bonds in such fashion shall be valid and effectual, notwithstanding any subsequent change in such offices. The Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. Each Bond shall bear a certificate of authentication manually executed by the Registrar in substantially the form set forth herein.

SECTION 8. Form of Bonds. The Bonds shall be in substantially the form attached hereto as Exhibit A and incorporated herein by reference.

SECTION 9. Security for Bonds. The full faith, credit, and taxing power of the county is irrevocably pledged to the payment of the Bonds. The Bonds are payable from an ad valorem tax levied annually by the ~~County~~ Auditor [of the County](#) and collected by the ~~County~~ Treasurer [of the County](#).

The Council shall give the Auditor and Treasurer of the County written notice of the delivery of and payment for the Bonds and they are hereby directed to levy and collect annually, on all taxable property in the County, an ad valorem tax sufficient to pay the principal and interest of the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

SECTION 10. Notice of Initiative and Referendum. The County Council hereby delegates to the Administrator the authority to determine whether the Notice prescribed under the provisions of Title 11, Chapter 27, relating to the Initiative and Referendum provisions contained in Title 4, Chapter 9 of the Code of Laws of South Carolina 1976, as amended, shall be given with respect to this Ordinance, such notice being in substantially the form attached hereto as Exhibit B. If such notice is given, ~~the Chair and the~~ Administrator ~~are~~ is authorized to cause such notice to be published in a newspaper of general circulation in the County.

SECTION 11. Defeasance. The obligations of the County under this Ordinance and the pledges, covenants and agreements of the County herein made or provided for, shall be fully discharged and satisfied as to any portion of the Bonds, and such Bond or Bonds shall no longer be deemed to be outstanding hereunder when:

(a) Such Bond or Bonds shall have been purchased by the County and surrendered to the County for cancellation or otherwise surrendered to the County or the Paying Agent and is canceled or subject to cancellation by the County or the Paying Agent; or

(b) Payment of the principal of and interest on such Bonds either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with a corporate trustee in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment, or (2) Government Obligations (hereinafter defined) maturing as to principal and interest in such amounts and at such times as will ensure the availability of sufficient moneys to make such payment and all necessary and proper fees, compensation and expenses of the corporate trustee. At such time as the Bonds shall no longer be deemed to be outstanding hereunder, such Bonds shall cease to draw interest from the due date thereof and, except for the purposes of any such payment from such moneys or Government Obligations, shall no longer be secured by or entitled to the benefits of this Ordinance.

“Government Obligations” shall mean any of the following:

(a) direct obligations of the United States of America or agencies thereof or obligations, the payment of principal or interest on which, in the opinion of the Attorney General of the United States, is fully and unconditionally guaranteed by the United States of America;

(b) non-callable, U. S. Treasury Securities - State and Local Government Series (“SLGS”); and

(c) general obligation bonds of the State, its institutions, agencies, school districts and political subdivisions.

SECTION 12. Exemption from State Taxes. Both the principal of and interest on the Bonds shall be exempt, in accordance with the provisions of Section 12-2-50 of the Code, from all State, county, municipal, school district and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

SECTION 13. Eligible Securities. The Bonds initially issued (the “Initial Bonds”) will be eligible securities for the purposes of the book-entry system of transfer maintained by The Depository Trust Company, New York, New York (“DTC”), and transfers of beneficial ownership of the Initial Bonds shall

be made only through DTC and its participants in accordance with rules specified by DTC. Such beneficial ownership must be of \$5,000 principal amount of Bonds of the same maturity or any integral multiple of \$5,000.

The Initial Bonds shall be issued in fully-registered form, one Bond for each of the maturities of the Bonds, in the name of Cede & Co., as the nominee of DTC. When any principal of or interest on the Initial Bonds becomes due, the Paying Agent, on behalf of the County, shall transmit to DTC an amount equal to such installment of principal and interest. DTC shall remit such payments to the beneficial owners of the Bonds or their nominees in accordance with its rules and regulations.

Notices of redemption of the Initial Bonds or any portion thereof shall be sent to DTC in accordance with the provisions of the Ordinance.

If (a) DTC determines not to continue to act as securities depository for the Bonds, or (b) the County has advised DTC of its determination that DTC is incapable of discharging its duties, the County shall attempt to retain another qualified securities depository to replace DTC. Upon receipt by the County the Initial Bonds together with an assignment duly executed by DTC, the County shall execute and deliver to the successor securities depository Bonds of the same principal amount, interest rate and maturity registered in the name of such successor.

If the County is unable to retain a qualified successor to DTC or the County has determined that it is in its best interest not to continue the book-entry system of transfer or that interests of the beneficial owners of the Bonds might be adversely affected if the book-entry system of transfer is continued (the County undertakes no obligation to make any investigation to determine the occurrence of any events that would permit it to make any such determination), and has made provision to so notify beneficial owners of the Bonds by mailing an appropriate notice to DTC, upon receipt by the County of the Initial Bonds together with an assignment duly executed by DTC, the County shall execute, authenticate and deliver to the DTC participants Bonds in fully-registered form, in substantially the form set forth in Section 2 of this Ordinance in the denomination of \$5,000 or any integral multiple thereof.

Notwithstanding the foregoing, at the request of the purchaser, the Bonds will be issued as one single fully-registered bond and not issued through the book-entry system.

SECTION 14. Sale of Bonds, Form of Notice of Sale. The Bonds shall be sold at public sale. A Notice of Sale in substantially the form attached hereto as Exhibit C and incorporated herein by reference shall be distributed to prospective bidders and a summary of such Notice of Sale shall be published in a newspaper having general circulation in the State of South Carolina or in a financial publication published in the City of New York, State of New York, or both, not less than seven (7) days prior to the date set for such sale. Appropriate modifications shall be made in the Notice of Sale if the Bonds are offered to purchase as BABs.

SECTION 15. Preliminary and Final Official Statement. The County Council hereby authorizes and directs the Administrator to prepare, or cause to be prepared, a Preliminary Official Statement to be distributed to prospective purchasers of the Bonds together with the Notice of Sale. The County Council authorizes the Administrator to designate the Preliminary Official Statement as “near final” for purposes of Rule 15c2-12 of the Securities Exchange Commission. The Administrator is further authorized to see to the completion of the final form of the Official Statement upon the sale of the Bonds so that it may be provided to the purchaser of the Bonds.

SECTION 16. Filings with Central Repository. In compliance with Section 11-1-85, South Carolina Code of Laws 1976, as amended, the County covenants that it will file or cause to be filed with a central repository for availability in the secondary bond market when requested: (a) a copy of an annual independent audit of the County within thirty (30) days of the County's receipt thereof; and (b) within thirty (30) days of the occurrence thereof, event specific information of an event which adversely affects more than five (5%) percent of the tax revenues of the County or the County's tax base.

SECTION 17. Continuing Disclosure. In compliance with the Securities and Exchange Commission Rule 15c2-12 (the "Rule") the County covenants and agrees for the benefit of the holders from time to time of the Bonds to execute and deliver prior to closing, and to thereafter comply with the terms of a Disclosure Dissemination Agent Agreement or a Continuing Disclosure Certificate, the form of which shall be approved by the ~~County~~ Administrator. In the event of a failure of the County to comply with any of the provisions of the Disclosure Dissemination Agent Agreement or Continuing Disclosure Certificate, an event of default under this Ordinance shall not be deemed to have occurred. In such event, the sole remedy of any bondholder or beneficial owner shall be an action to compel performance by the Ordinance.

SECTION 18. Deposit and Use of Proceeds. The proceeds derived from the sale of the Bonds necessary to refund the Bonds to be Refunded shall be deposited with the Escrow Agent pursuant to the terms of the Refunding Trust Agreement. The remaining proceeds, if any, shall be deposited with the ~~County~~ Treasurer of the County in a special fund to the credit of the County and shall be applied solely to the purposes for which the Bonds have been issued, including payment of costs of issuance of the Bonds.

SECTION 19. Notice of Public Hearing. The County Council hereby ratifies and approves the publication of a notice of public hearing regarding the Bonds and this Ordinance, such notice in substantially the form attached hereto as Exhibit D, having been published in *The State*, a newspaper of general circulation in the County, not less than 15 days prior to the date of such public hearing.

SECTION 20. Tax Covenants. The County hereby covenants and agrees with the Holders of the Bonds that it will not take any action which will, or fail to take any action which failure will, cause interest on the Bonds to become includable in the gross income of the Bondholders for federal income tax purposes pursuant to the provisions of the IRC and regulations promulgated thereunder in effect on the date of original issuance of the Bonds; provided, however, that for purposes of this covenant only, the County shall not be in violation of this covenant solely because it makes the irrevocable election under Section 54AA(d) or (g) (as applicable) of the IRC with respect to the Bonds to be issued as BABs. The County further covenants and agrees with the holders of the Bonds that no use of the proceeds of the Bonds shall be made which, if such use had been reasonably expected on the date of issue of the Bonds would have caused the Bonds to be "arbitrage bonds," as defined in Section 148 of the IRC, and to that end the County hereby shall:

(a) comply with the applicable provisions of Sections 54AA, 103 and 141 through 150 of the IRC and any regulations promulgated thereunder so long as the Bonds are outstanding;

(b) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the IRC relating to required rebates of certain amounts to the United States; and

(c) make such reports of such information at the time and places required by the IRC.

SECTION 21 Miscellaneous. The County Council hereby authorizes any one or more of the following officials to execute such documents and instruments as necessary to effect the issuance of the Bonds: Chair of the County Council, ~~County~~-Administrator, Clerk to the County Council and County Attorney. The County Council hereby retains McNair Law Firm, P.A. as bond counsel and Ross, Sinclair & Associates, LLC, as Financial Advisor, in connection with the issuance of the Bonds. The ~~County~~ Administrator is authorized to execute such contracts, documents or engagement letters as may be necessary and appropriate to effectuate these engagements.

All rules, regulations, resolutions and parts thereof, procedural or otherwise, in conflict herewith or the proceedings authorizing the issuance of the Bonds are, to the extent of such conflict, hereby repealed and this Ordinance shall take effect and be in full force from and after its adoption.

January 25, 2011 - The committee forwarded this item to Council without a recommendation. The vote in favor was unanimous.

STATE OF SOUTH CAROLINA
COUNTY COUNCIL FOR RICHLAND COUNTY
ORDINANCE NO. _____ -11HR

AN ORDINANCE AUTHORIZING THE ISSUANCE AND SALE OF SEWER SYSTEM GENERAL OBLIGATION REFUNDING BONDS, WITH AN APPROPRIATE SERIES DESIGNATION, IN AN AMOUNT SUFFICIENT TO REFUND CERTAIN MATURITIES OF OUTSTANDING BONDS OF RICHLAND COUNTY, SOUTH CAROLINA; FIXING THE FORM AND DETAILS OF THE BONDS; DELEGATING TO THE COUNTY ADMINISTRATOR CERTAIN AUTHORITY RELATED TO THE BONDS; PROVIDING FOR THE PAYMENT OF THE BONDS AND THE DISPOSITION OF THE PROCEEDS THEREOF; AND OTHER MATTERS RELATING THERETO.

Pursuant to the authority by the Constitution of the State of South Carolina and the General Assembly of the State of South Carolina, BE IT ENACTED BY RICHLAND COUNTY COUNCIL:

SECTION 1. Findings and Determinations. The County Council (the "County Council") of Richland County, South Carolina (the "County"), hereby finds and determines:

(a) Pursuant to Section 4-9-10, Code of Laws of South Carolina 1976, as amended, the County operates under the Council-Administrator form of government and the County Council constitutes the governing body of the County.

(b) The County Council has previously determined to establish, operate, and maintain a wastewater collection and treatment system in the Nicholas Creek and Hollingshed Creek drainage basins and also certain County landfill facilities (the "System"); the County Council has previously created a sewer district known as East Bluff Sewer Assessment District; and County Council has previously created a sewer assessment district known as the Romain-Meech-Burbank Sewer Assessment District, all pursuant to the favorable results of a referendum held in Richland County on November 7, 1978, on the question of the County's providing sewage services and the provisions of Section 44-55-1410 of the Code of Laws of South Carolina 1976, as amended and other provisions of law.

(c) Pursuant to Title 4, Chapter 15 of the Code (the same being and hereinafter referred to as the "County Bond Act"), the governing bodies of the several counties of the State may each issue general obligation bonds to defray the cost of any authorized purpose and for any amount not exceeding their applicable constitutional limit.

(d) The County Bond Act provides that as a condition precedent to the issuance of bonds an election be held and the result be favorable thereto. Title 11, Chapter 27 of the Code of Laws of South Carolina 1976, as amended ("Title 11, Chapter 27"), provides that if an election be prescribed by the provisions of the County Bond Act, but not be required by the provisions of Article X of the Constitution, then in every such instance, no election need be held (notwithstanding the requirement therefor) and the remaining provisions of the County Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions.

(e) Section 12 of Article X of the South Carolina Constitution prohibits the issuance of general obligation bonds of any county to finance wastewater collection and treatment facilities benefiting only a particular geographic section of a county unless a special assessment, tax, or service charge in an amount designed to provide debt service shall be imposed upon the areas or persons receiving the benefit therefrom.

(f) Pursuant to the provisions of the County Bond Act, Title 11, Chapter 27 and Article X, Section 12 of the South Carolina Constitution, the County has provided for the imposition and collection of assessments against all property located in the East Bluff Sewer Assessment District and the Romain-Meech-Burbank Sewer Assessment District in an amount sufficient to pay, when due, debt service on bonds to be authorized hereunder.

(g) After due investigation, County Council has determined and hereby finds that the imposition and collection of user fees and tap fees on the customers of the System and the assessment and collection of assessments against properties located in the East Bluff Sewer Assessment District and the Romain-Meech-Burbank Sewer Assessment District will be sufficient to provide for the payment of the principal and interest on the bonds to be issued hereunder, and the requirements of Article X, Section 12 of the South Carolina Constitution with respect to the issuance of the bonds provided for herein have been met.

(h) Pursuant to constitutional and statutory authorizations and Ordinance No. 021-03HR duly enacted by the County Council on April 8, 2003, the County has heretofore issued its \$6,275,000 Sewer System General Obligation Refunding Bonds, Series 2003E dated September 1, 2003 (the "Series 2003E Bonds").

(i) The Series 2003E Bonds are currently outstanding in the amount of \$3,270,000. The Series 2003E Bonds maturing on or after March 1, 2012, are subject to redemption at the option of the County on or after March 1, 2011, in whole or in part at any time, at a redemption price of par together with the interest accrued thereon to the date fixed for redemption.

(j) Title 11, Chapter 21 of the S.C. Code provides that any public agency may utilize the provisions of Title 11, Chapter 15, Article 5 as amplified by Title 11, Chapter 21 of the Code of Laws of South Carolina 1976, as amended (the "Refunding Act") to effect the refunding of any of its outstanding bonds. The Refunding Act authorizes and provides the procedure for the issuance of general obligation bonds whose proceeds are to be used to pay, in whole or in part, sums due on general obligation bonds previously issued and further provides that any issuer may issue general obligations bonds to such extent as such issuer shall be indebted by way of principal, interest, and redemption premium upon any outstanding general obligation bonds.

(k) Based on current market conditions and projected savings, the County Council finds that it is in the best interest of the County to effect a refunding of certain maturities of the Series 2003E Bonds (the "Bonds to be Refunded") because a savings can be effected through the refunding of such Series 2003E Bonds. The County Council recognizes, however, that current market conditions may change and that, as of the date of enactment of this Ordinance, a determination cannot be made as to the amount of such savings, if any, realized through the refunding of the Bonds to be Refunded and that certain authority relating to such refunding is delegated to the County Administrator (the "Administrator") and/or his lawfully-authorized designee through this Ordinance. Because the Refunding Act requires that refunding bonds be sold at public sale, there can be no assurance that market conditions at the time of such sale will be similar to the prevailing rates on the date of the enactment of this Ordinance. If the rates of interest on the refunding bonds authorized by this Ordinance do not result in satisfactory debt service savings, the County Council, through the authority delegated to the Administrator and/or his lawfully-authorized designee, will be empowered to reject bids for the purchase of the refunding bonds.

(l) It is now in the best interest of the County for the County Council to provide for the issuance and sale of general obligation refunding bonds of the County pursuant to the aforesaid provisions of the Constitution and laws of the State of South Carolina, the proceeds of which will be used to provide funds for: (i) refunding the Bonds to be Refunded; (ii) paying costs of issuance of the bonds; and (iii) such other lawful corporate and public purposes as the County Council shall determine.

SECTION 2. Authorization and Details of Bonds. Pursuant to the aforesaid provisions of the Constitution and laws of the State, there is hereby authorized to be issued general obligation refunding bonds of the County to be designated “[Amount Issued] General Obligation Refunding Bonds, [Series Designation], of Richland County, South Carolina” (the “Bonds”) for the purpose stated in Section 1(l) of this Ordinance.

The refunding of the Bonds to be Refunded shall be effected with a portion of the proceeds of the Bonds which proceeds shall be used for the payment of the principal of such Bonds to be Refunded as and when such Bonds to be Refunded mature and are called for redemption in accordance with the provisions of the 2003 Ordinance and interest on such Bonds to be Refunded as and when the same becomes due. If necessary, notice of the aforesaid refunding for which a portion of the proceeds of the Bonds will be used shall be given in a financial paper published in the City of New York, State of New York.

Upon the delivery of the Bonds, the principal proceeds thereof, less issuance expenses, shall be deposited with Wells Fargo Bank, N.A. (the “Escrow Agent”) and held by it under a written refunding trust agreement between the Escrow Agent and the County (the “Refunding Trust Agreement”) in an irrevocable trust account. It shall be the duty of such Escrow Agent to keep such proceeds invested and reinvested to the extent that it shall be practical in obligations of the United States or any agency thereof and to apply the principal and interest of the trust so established in the manner prescribed in such Refunding Trust Agreement.

The Administrator and/or his lawfully-authorized designee are hereby authorized and directed for and on behalf of the County to execute such agreements and give such directions as shall be necessary to carry out the provisions of this Ordinance, including the execution and delivery of the Refunding Trust Agreement. The Refunding Trust Agreement shall be dated the date of delivery of the Bonds to the initial purchasers thereof.

Upon the award of the Bonds, the County shall designate the Bonds to be Refunded for redemption on a date determined by the Administrator and/or his lawfully-authorized designee in accordance with the 2003 Ordinance.

The Bonds shall be issued as fully registered Bonds registerable as to principal and interest; shall be dated as of the first day of the month in which they are delivered to the initial purchaser(s) thereof; shall be in denominations of \$5,000 or any integral multiple thereof not exceeding principal amount of Bonds maturing each year; shall be numbered from R-1 upward, respectively; shall bear interest from their date payable at such times as hereafter designated by the Administrator at such rate or rates as may be determined by the Administrator at the time of sale thereof; and shall mature serially in successive annual installments as determined by the Administrator.

Within twenty-four (24) hours after the receipt of bids, the Administrator is hereby authorized to designate the registrar and paying agent (the “Registrar/Paying Agent”) for the Bonds. The Registrar/Paying Agent shall be a bank, trust company, depository or transfer agent located either within or without the State of South Carolina.

Both the principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which is, at the time of payment, legal tender for public and private debts.

By separate ordinance, the County intends to authorize the issuance and sale of general obligation refunding bonds in an amount sufficient to refund all or a portion of the County's \$20,600,000 General Obligation Bonds, Series 2001A dated August 1, 2001, and the County's \$13,435,000 General Obligation Refunding Bonds, Series 2001C dated August 1, 2001 (together, the "Series 2001 Bonds").

SECTION 3. Delegation of Authority Relating to the Bonds. The County Council hereby delegates to the Administrator the authority: (a) to determine the maturity dates of the Bonds and the respective principal amounts maturing on such dates; (b) to determine the interest payment dates of the Bonds; (c) to determine redemption provisions, if any, for the Bonds; (d) the date and time of sale of the Bonds; (e) to receive bids on behalf of the County Council; (f) to award the sale of the Bonds to the lowest bidder therefor in accordance with the terms of the Notice of Sale for the Bonds; (g) for purposes of continuing disclosure, whether the County shall execute a Disclosure Dissemination Agent Agreement or a Continuing Disclosure Certificate and approval of the provisions thereof; and (h) to determine whether the bonds authorized herein shall be sold together with the bonds authorized by separate ordinance to be issued and sold to refund the Series 2001A and Series 2001C Bonds.

After the sale of the Bonds, the Administrator or his lawfully-authorized designee shall submit a written report to the County Council setting forth the results of the sale of the Bonds.

SECTION 4. Registration, Transfer and Exchange of Bonds. The County shall cause books (herein referred to as the "registry books") to be kept at the offices of the Registrar/Paying Agent, for the registration and transfer of the Bonds. Upon presentation at its office for such purpose the Registrar/Paying Agent shall register or transfer, or cause to be registered or transferred, on such registry books, the Bonds under such reasonable regulations as the Registrar/Paying Agent may prescribe.

Each Bond shall be transferable only upon the registry books of the County, which shall be kept for such purpose at the principal office of the Registrar/Paying Agent, by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar/Paying Agent duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such Bond the Registrar/Paying Agent on behalf of the County shall issue in the name of the transferee a new fully-registered Bond or Bonds, of the same aggregate principal amount, interest rate and maturity as the surrendered Bond. Any Bond surrendered in exchange for a new registered Bond pursuant to this Section shall be canceled by the Registrar/Paying Agent.

The County and the Registrar/Paying Agent may deem or treat the person in whose name any fully-registered Bond shall be registered upon the registry books as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County nor the Registrar/Paying Agent shall be affected by any notice to the contrary. For every such transfer of Bonds, the County or the Registrar/Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer, and, except as otherwise provided herein, may charge a sum sufficient to pay the cost of preparing each Bond issued upon such transfer, which sum or sums shall be paid by the person requesting such transfer or by the County as a condition precedent to the exercise of the privilege of making such transfer. Neither the County nor the Registrar/Paying Agent shall be obliged to make any such transfer of Bonds during the fifteen (15) days preceding an interest payment date on such Bonds.

SECTION 5. Record Date. The County hereby establishes a record date for the payment of interest or for the giving of notice of any proposed redemption of Bonds, and such record date shall be the fifteenth (15th) day of the calendar month preceding each semiannual interest payment date on such Bond or in the case of any proposed redemption of Bonds, such record date shall be the fifteenth (15th) day prior to the giving of notice of redemption of bonds.

SECTION 6. Mutilation, Loss, Theft or Destruction of Bonds. In case any Bond shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the owner, the County shall execute and the Registrar shall authenticate and deliver at the principal office of the Registrar, or send by registered mail to the owner thereof at his request, risk and expense a new Bond of the same series, interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event the applicant for the issuance of a substitute Bond shall furnish the County and the Registrar evidence or proof satisfactory to the County and the Registrar of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity in an amount as may be required by the laws of the State of South Carolina or such greater amount as may be required by the County and the Registrar. Any duplicate Bond issued under the provisions of this Section in exchange and substitution for any defaced, mutilated or partly destroyed Bond or in substitution for any allegedly lost, stolen or wholly destroyed Bond shall be entitled to the identical benefits under this Ordinance as was the original Bond in lieu of which such duplicate Bond is issued, and shall be entitled to equal and proportionate benefits with all the other Bonds of the same series issued hereunder.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

SECTION 7. Execution of Bonds. The Bonds shall be executed in the name of the County with the manual or facsimile signature of the Chair of the County Council attested by the manual or facsimile signature of the Clerk of the County Council under a facsimile of the seal of the County impressed, imprinted or reproduced thereon; provided, however, the facsimile signatures appearing on the Bonds may be those of the officers who are in office on the date of adoption of this Ordinance. The execution of the Bonds in such fashion shall be valid and effectual, notwithstanding any subsequent change in such offices. The Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. Each Bond shall bear a certificate of authentication manually executed by the Registrar in substantially the form set forth herein.

SECTION 8. Form of Bonds. The Bonds shall be in substantially the form attached hereto as Exhibit A and incorporated herein by reference.

SECTION 9. Security for Bonds. For the payment of the principal and interest on the Bonds as they respectively mature, and for the creation of a sinking fund as may be necessary therefor, the full faith, credit, and taxing power of the County are irrevocably pledged, and there shall be levied annually by the Auditor of the County, and collected by the Treasurer of the County, in the same manner as other County taxes are levied and collected, a tax, without limit, on all taxable property in the County, sufficient to pay the principal of and interest on the Bonds as they respectfully mature, and to create a sinking fund as may be necessary therefor; provided, however, that the County Council does hereby pledge the revenues derived from the operation of the System after defraying the costs of operation and maintenance of the System to the payment of principal of and interest on the Bonds, as authorized by Chapter 23 of Title 11 of the Code of Laws of South Carolina 1976, as amended; provided, further, that County Council does hereby covenant to establish and maintain rates and charges as are sufficient to provide funds to pay the principal of and interest on the Bonds when due, and sufficient revenues must be available for the payment of principal of and

interest on the Bonds, and must be delivered to the Treasurer of the County for payment of principal of and interest on the Bonds and for no other purpose, prior to the occasion when the Auditor of the County fixes the annual tax levy, and the annual ad valorem taxes to be levied for the payment of the principal of and interest on the Bonds on all taxable property in the County shall be reduced in each year in accordance with Chapter 23 of Title 11 of the Code of Laws of South Carolina 1976, as amended, by the amount of revenue derived from the operation of the System which is actually in the hands of the Treasurer of the County for the payment of the principal of and interest on the Bonds at the time the tax for the year is required to be levied; provided, further, that the Bonds are primarily the obligation of the System and for the payment of principal of and interest thereof, as the same mature, there must be revenues derived from operation of the System, and resort to the County tax levy required by the preceding provisions of this Section must be made only in the event that revenues derived from the operation of the System prove insufficient to meet the payment of principal of an interest on the Bonds; this provision shall not preclude the issuance of additional bonds (whether general obligation bonds) secured by a pledge of the revenues on a parity with the pledge herein made to secure the Bonds secured by a pledge superior to the pledge herein made to secure the Bonds.

The County Council, acting through its Chair, shall give the Auditor and Treasurer of the County written notice of the delivery of and payment for the Bonds and they are hereby directed to levy and collect annually, on all taxable property in the County, a tax, without limit, sufficient to pay the principal of and interest on the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

SECTION 10. Notice of Initiative and Referendum. The County Council hereby delegates to the Administrator the authority to determine whether the Notice prescribed under the provisions of Title 11, Chapter 27, relating to the Initiative and Referendum provisions contained in Title 4, Chapter 9 of the Code of Laws of South Carolina 1976, as amended, shall be given with respect to this Ordinance, such notice being in substantially the form attached hereto as Exhibit B. If such notice is given, the Administrator is authorized to cause such notice to be published in a newspaper of general circulation in the County.

SECTION 11. Defeasance. The obligations of the County under this Ordinance and the pledges, covenants and agreements of the County herein made or provided for, shall be fully discharged and satisfied as to any portion of the Bonds, and such Bond or Bonds shall no longer be deemed to be outstanding hereunder when:

(a) Such Bond or Bonds shall have been purchased by the County and surrendered to the County for cancellation or otherwise surrendered to the County or the Paying Agent and is canceled or subject to cancellation by the County or the Paying Agent; or

(b) Payment of the principal of and interest on such Bonds either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with a corporate trustee in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment, or (2) Government Obligations (hereinafter defined) maturing as to principal and interest in such amounts and at such times as will ensure the availability of sufficient moneys to make such payment and all necessary and proper fees, compensation and expenses of the corporate trustee. At such time as the Bonds shall no longer be deemed to be outstanding hereunder, such Bonds shall cease to draw interest from the due date thereof and, except for the purposes of any such payment from such moneys or Government Obligations, shall no longer be secured by or entitled to the benefits of this Ordinance.

“Government Obligations” shall mean any of the following:

- (a) direct obligations of the United States of America or agencies thereof or obligations, the payment of principal or interest on which, in the opinion of the Attorney General of the United States, is fully and unconditionally guaranteed by the United States of America;
- (b) non-callable, U. S. Treasury Securities - State and Local Government Series (“SLGS”); and
- (c) general obligation bonds of the State, its institutions, agencies, school districts and political subdivisions.

SECTION 12. Exemption from State Taxes. Both the principal of and interest on the Bonds shall be exempt, in accordance with the provisions of Section 12-2-50 of the Code, from all State, county, municipal, school district and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

SECTION 13. Eligible Securities. The Bonds initially issued (the “Initial Bonds”) will be eligible securities for the purposes of the book-entry system of transfer maintained by The Depository Trust Company, New York, New York (“DTC”), and transfers of beneficial ownership of the Initial Bonds shall be made only through DTC and its participants in accordance with rules specified by DTC. Such beneficial ownership must be of \$5,000 principal amount of Bonds of the same maturity or any integral multiple of \$5,000.

The Initial Bonds shall be issued in fully-registered form, one Bond for each of the maturities of the Bonds, in the name of Cede & Co., as the nominee of DTC. When any principal of or interest on the Initial Bonds becomes due, the Paying Agent, on behalf of the County, shall transmit to DTC an amount equal to such installment of principal and interest. DTC shall remit such payments to the beneficial owners of the Bonds or their nominees in accordance with its rules and regulations.

Notices of redemption of the Initial Bonds or any portion thereof shall be sent to DTC in accordance with the provisions of the Ordinance.

If (a) DTC determines not to continue to act as securities depository for the Bonds, or (b) the County has advised DTC of its determination that DTC is incapable of discharging its duties, the County shall attempt to retain another qualified securities depository to replace DTC. Upon receipt by the County the Initial Bonds together with an assignment duly executed by DTC, the County shall execute and deliver to the successor securities depository Bonds of the same principal amount, interest rate and maturity registered in the name of such successor.

If the County is unable to retain a qualified successor to DTC or the County has determined that it is in its best interest not to continue the book-entry system of transfer or that interests of the beneficial owners of the Bonds might be adversely affected if the book-entry system of transfer is continued (the County undertakes no obligation to make any investigation to determine the occurrence of any events that would permit it to make any such determination), and has made provision to so notify beneficial owners of the Bonds by mailing an appropriate notice to DTC, upon receipt by the County of the Initial Bonds together with an assignment duly executed by DTC, the County shall execute, authenticate and deliver to the DTC participants Bonds in fully-registered form, in substantially the form set forth in Section 2 of this Ordinance in the denomination of \$5,000 or any integral multiple thereof.

Notwithstanding the foregoing, at the request of the purchaser, the Bonds will be issued as one single fully-registered bond and not issued through the book-entry system.

SECTION 14. Sale of Bonds, Form of Notice of Sale. The Bonds shall be sold at public sale. A Notice of Sale in substantially the form attached hereto as Exhibit C and incorporated herein by reference shall be distributed to prospective bidders and a summary of such Notice of Sale shall be published in a newspaper having general circulation in the State of South Carolina or in a financial publication published in the City of New York, State of New York, or both, not less than seven (7) days prior to the date set for such sale. Appropriate modifications shall be made in the Notice of Sale if the Bonds are offered to purchase as BABs.

SECTION 15. Preliminary and Final Official Statement. The County Council hereby authorizes and directs the Administrator to prepare, or cause to be prepared, a Preliminary Official Statement to be distributed to prospective purchasers of the Bonds together with the Notice of Sale. The County Council authorizes the Administrator to designate the Preliminary Official Statement as “near final” for purposes of Rule 15c2-12 of the Securities Exchange Commission. The Administrator is further authorized to see to the completion of the final form of the Official Statement upon the sale of the Bonds so that it may be provided to the purchaser of the Bonds.

SECTION 16. Filings with Central Repository. In compliance with Section 11-1-85, South Carolina Code of Laws 1976, as amended, the County covenants that it will file or cause to be filed with a central repository for availability in the secondary bond market when requested: (a) a copy of an annual independent audit of the County within thirty (30) days of the County's receipt thereof; and (b) within thirty (30) days of the occurrence thereof, event specific information of an event which adversely affects more than five (5%) percent of the tax revenues of the County or the County's tax base.

SECTION 17. Continuing Disclosure. In compliance with the Securities and Exchange Commission Rule 15c2-12 (the “Rule”) the County covenants and agrees for the benefit of the holders from time to time of the Bonds to execute and deliver prior to closing, and to thereafter comply with the terms of a Disclosure Dissemination Agent Agreement or a Continuing Disclosure Certificate, the form of which shall be approved by the Administrator. In the event of a failure of the County to comply with any of the provisions of the Disclosure Dissemination Agent Agreement or Continuing Disclosure Certificate, an event of default under this Ordinance shall not be deemed to have occurred. In such event, the sole remedy of any bondholder or beneficial owner shall be an action to compel performance by the Ordinance.

SECTION 18. Deposit and Use of Proceeds. The proceeds derived from the sale of the Bonds necessary to refund the Bonds to be Refunded shall be deposited with the Escrow Agent pursuant to the terms of the Refunding Trust Agreement. The remaining proceeds, if any, shall be deposited with the Treasurer of the County in a special fund to the credit of the County and shall be applied solely to the purposes for which the Bonds have been issued, including payment of costs of issuance of the Bonds.

SECTION 19. Notice of Public Hearing. The County Council hereby ratifies and approves the publication of a notice of public hearing regarding the Bonds and this Ordinance, such notice in substantially the form attached hereto as Exhibit D, having been published in *The State*, a newspaper of general circulation in the County, not less than 15 days prior to the date of such public hearing.

SECTION 20. Tax Covenants. The County hereby covenants and agrees with the Holders of the Bonds that it will not take any action which will, or fail to take any action which failure will, cause interest on the Bonds to become includable in the gross income of the Bondholders for federal income tax purposes pursuant to the provisions of the IRC and regulations promulgated thereunder in effect on the date of original issuance of the Bonds; provided, however, that for purposes of this covenant only, the

County shall not be in violation of this covenant solely because it makes the irrevocable election under Section 54AA(d) or (g) (as applicable) of the IRC with respect to the Bonds to be issued as BABs. The County further covenants and agrees with the holders of the Bonds that no use of the proceeds of the Bonds shall be made which, if such use had been reasonably expected on the date of issue of the Bonds would have caused the Bonds to be “arbitrage bonds,” as defined in Section 148 of the IRC, and to that end the County hereby shall:

(a) comply with the applicable provisions of Sections 54AA, 103 and 141 through 150 of the IRC and any regulations promulgated thereunder so long as the Bonds are outstanding;

(b) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the IRC relating to required rebates of certain amounts to the United States; and

(c) make such reports of such information at the time and places required by the IRC.

SECTION 21 Miscellaneous. The County Council hereby authorizes any one or more of the following officials to execute such documents and instruments as necessary to effect the issuance of the Bonds: Chair of the County Council, Administrator, Clerk to the County Council and County Attorney. The County Council hereby retains McNair Law Firm, P.A. as bond counsel and Ross, Sinclair & Associates, LLC, as Financial Advisor, in connection with the issuance of the Bonds. The Administrator is authorized to execute such contracts, documents or engagement letters as may be necessary and appropriate to effectuate these engagements.

All rules, regulations, resolutions and parts thereof, procedural or otherwise, in conflict herewith or the proceedings authorizing the issuance of the Bonds are, to the extent of such conflict, hereby repealed and this Ordinance shall take effect and be in full force from and after its adoption.

In addition to the bid price, the successful bidder must pay accrued interest from the date of the Bonds to the date of full payment of the purchase price.

Award of Bid. The Bonds will be awarded to the bidder or bidders offering to purchase the Bonds at the lowest true interest cost (TIC) to the County. The TIC will be the nominal interest rate which, when compounded semiannually and used to discount all debt service payments on the Bonds (computed at the interest rates specified in the bid and on the basis of a 360-day year of twelve 30-day months) to the dated date of the Bonds, results in an amount equal to the price bid for the Bonds. In the case of a tie bid, the winning bid will be awarded by lot. The County reserves the right to reject any and all bids or to waive irregularities in any bid. Bids will be accepted or rejected no later than 3:00 p.m., South Carolina time, on the date of the sale.

Security: For the payment of the principal and interest on the Bonds as they respectively mature, and for the creation of a sinking fund as may be necessary therefor, the full faith, credit, and taxing power of the County are irrevocably pledged, and there shall be levied annually by the Auditor of the County, and collected by the Treasurer of Richland County, in the same manner as other County taxes are levied and collected, a tax, without limit, on all taxable property in the County, sufficient to pay the principal of and interest on the Bonds as they respectfully mature, and to create a sinking fund as may be necessary therefor; provided, however, that the County Council does hereby pledge the revenues derived from the operation of the System after defraying the costs of operation and maintenance of the System to the payment of principal of and interest on the Bonds, as authorized by Chapter 23 of Title 11 of the Code of Laws of South Carolina 1976, as amended; provided, further, that County Council does hereby covenant to establish and maintain rates and charges as are sufficient to provide funds to pay the principal of and interest on the Bonds when due, and sufficient revenues must be available for the payment of principal of and interest on the Bonds, and must be delivered to the Treasurer of the County for payment of principal of and interest on the Bonds and for no other purpose, prior to the occasion when the Auditor of the County fixes the annual tax levy, and the

annual ad valorem taxes to be levied for the payment of the principal of and interest on the Bonds on all taxable property in the County shall be reduced in each year in accordance with Chapter 23 of Title 11 of the Code of Laws of South Carolina 1976, as amended, by the amount of revenue derived from the operation of the System which is actually in the hands of the Treasurer of the County for the payment of the principal of and interest on the Bonds at the time the tax for the year is required to be levied; provided, further, that the Bonds are primarily the obligation of the System and for the payment of principal of and interest thereof, as the same mature, there must be revenues derived from operation of the System, and resort to the County tax levy required by the preceding provisions of this Section must be made only in the event that revenues derived from the operation of the System prove insufficient to meet the payment of principal of an interest on the Bonds; this provision shall not preclude the issuance of additional bonds (whether general obligation bonds) secured by a pledge of the revenues on a parity with the pledge herein made to secure the Bonds secured by a pledge superior to the pledge herein made to secure the Bonds.

The County Council, acting through its Chair, shall give the Auditor and Treasurer of the County written notice of the delivery of and payment for the Bonds and they are hereby directed to levy and collect annually, on all taxable property in the County, a tax, without limit, sufficient to pay the principal of and interest on the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

Within seven (7) business days after the award of the Bonds, the County will deliver the Official Statement to the successful bidder in sufficient quantity to comply with Rule G-32 of the Municipal Securities Rulemaking Board. The successful bidder agrees to supply to the County all necessary pricing information and any Underwriter identification necessary to complete the Official Statement within 24 hours after the award of the Bonds.

STATE OF SOUTH CAROLINA
COUNTY COUNCIL FOR RICHLAND COUNTY
ORDINANCE NO. _____ -11HR

AN ORDINANCE AUTHORIZING THE ISSUANCE AND SALE OF SEWER SYSTEM GENERAL OBLIGATION REFUNDING BONDS, WITH AN APPROPRIATE SERIES DESIGNATION, IN AN AMOUNT SUFFICIENT TO REFUND CERTAIN MATURITIES OF OUTSTANDING BONDS OF RICHLAND COUNTY, SOUTH CAROLINA; FIXING THE FORM AND DETAILS OF THE BONDS; DELEGATING TO THE COUNTY ADMINISTRATOR CERTAIN AUTHORITY RELATED TO THE BONDS; PROVIDING FOR THE PAYMENT OF THE BONDS AND THE DISPOSITION OF THE PROCEEDS THEREOF; AND OTHER MATTERS RELATING THERETO.

Pursuant to the authority by the Constitution of the State of South Carolina and the General Assembly of the State of South Carolina, BE IT ENACTED BY RICHLAND COUNTY COUNCIL:

SECTION 1. Findings and Determinations. The County Council (the "County Council") of Richland County, South Carolina (the "County"), hereby finds and determines:

(a) Pursuant to Section 4-9-10, Code of Laws of South Carolina 1976, as amended, the County operates under the Council-Administrator form of government and the County Council constitutes the governing body of the County.

(b) The County Council has previously determined to establish, operate, and maintain a wastewater collection and treatment system in the Nicholas Creek and Hollingshed Creek drainage basins and also certain County landfill facilities (the "System"); the County Council has previously created a sewer district known as East Bluff Sewer Assessment District; and County Council has previously created a sewer assessment district known as the Romain-Meech-Burbank Sewer Assessment District, all pursuant to the favorable results of a referendum held in Richland County on November 7, 1978, on the question of the County's providing sewage services and the provisions of Section 44-55-1410 of the Code of Laws of South Carolina 1976, as amended and other provisions of law.

(c) Pursuant to Title 4, Chapter 15 of the Code (the same being and hereinafter referred to as the "County Bond Act"), the governing bodies of the several counties of the State may each issue general obligation bonds to defray the cost of any authorized purpose and for any amount not exceeding their applicable constitutional limit.

(d) The County Bond Act provides that as a condition precedent to the issuance of bonds an election be held and the result be favorable thereto. Title 11, Chapter 27 of the Code of Laws of South Carolina 1976, as amended ("Title 11, Chapter 27"), provides that if an election be prescribed by the provisions of the County Bond Act, but not be required by the provisions of Article X of the Constitution, then in every such instance, no election need be held (notwithstanding the requirement therefor) and the remaining provisions of the County Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions.

(e) Section 12 of Article X of the South Carolina Constitution prohibits the issuance of general obligation bonds of any county to finance wastewater collection and treatment facilities benefiting only a particular geographic section of a county unless a special assessment, tax, or service charge in an amount designed to provide debt service shall be imposed upon the areas or persons receiving the benefit therefrom.

(f) Pursuant to the provisions of the County Bond Act, Title 11, Chapter 27 and Article X, Section 12 of the South Carolina Constitution, the County has provided for the imposition and collection of assessments against all property located in the East Bluff Sewer Assessment District and the Romain-Meech-Burbank Sewer Assessment District in an amount sufficient to pay, when due, debt service on bonds to be authorized hereunder.

(g) After due investigation, County Council has determined and hereby finds that the imposition and collection of user fees and tap fees on the customers of the System and the assessment and collection of assessments against properties located in the East Bluff Sewer Assessment District and the Romain-Meech-Burbank Sewer Assessment District will be sufficient to provide for the payment of the principal and interest on the bonds to be issued hereunder, and the requirements of Article X, Section 12 of the South Carolina Constitution with respect to the issuance of the bonds provided for herein have been met.

(h) Pursuant to constitutional and statutory authorizations and Ordinance No. 021-03HR duly enacted by the County Council on April 8, 2003, the County has heretofore issued its \$6,275,000 Sewer System General Obligation Refunding Bonds, Series 2003E dated September 1, 2003 (the "Series 2003E Bonds").

(i) The Series 2003E Bonds are currently outstanding in the amount of \$3,270,000. The Series 2003E Bonds maturing on or after March 1, 2012, are subject to redemption at the option of the County on or after March 1, 2011, in whole or in part at any time, at a redemption price of par together with the interest accrued thereon to the date fixed for redemption.

(j) Title 11, Chapter 21 of the S.C. Code provides that any public agency may utilize the provisions of Title 11, Chapter 15, Article 5 as amplified by Title 11, Chapter 21 of the Code of Laws of South Carolina 1976, as amended (the "Refunding Act") to effect the refunding of any of its outstanding bonds. The Refunding Act authorizes and provides the procedure for the issuance of general obligation bonds whose proceeds are to be used to pay, in whole or in part, sums due on general obligation bonds previously issued and further provides that any issuer may issue general obligations bonds to such extent as such issuer shall be indebted by way of principal, interest, and redemption premium upon any outstanding general obligation bonds.

(k) Based on current market conditions and projected savings, the County Council finds that it is in the best interest of the County to effect a refunding of certain maturities of the Series 2003E Bonds (the "Bonds to be Refunded") because a savings can be effected through the refunding of such Series 2003E Bonds. The County Council recognizes, however, that current market conditions may change and that, as of the date of enactment of this Ordinance, a determination cannot be made as to the amount of such savings, if any, realized through the refunding of the Bonds to be Refunded and that certain authority relating to such refunding is delegated to the County Administrator ([the "Administrator"](#)) and/or his lawfully-authorized designee through this Ordinance. Because the Refunding Act requires that refunding bonds be sold at public sale, there can be no assurance that market conditions at the time of such sale will be similar to the prevailing rates on the date of the enactment of this Ordinance. If the rates of interest on the refunding bonds authorized by this Ordinance do not result in satisfactory debt service savings, the County Council, through the authority delegated to the ~~County~~ Administrator and/or his lawfully-authorized designee, will be empowered to reject bids for the purchase of the refunding bonds.

(l) It is now in the best interest of the County for the County Council to provide for the issuance and sale of general obligation refunding bonds of the County pursuant to the aforesaid provisions of the Constitution and laws of the State of South Carolina, the proceeds of which will be used to provide funds for: (i) refunding the Bonds to be Refunded; (ii) paying costs of issuance of the bonds; and (iii) such other lawful corporate and public purposes as the County Council shall determine.

SECTION 2. Authorization and Details of Bonds. Pursuant to the aforesaid provisions of the Constitution and laws of the State, there is hereby authorized to be issued general obligation refunding bonds of the County to be designated “[Amount Issued] General Obligation Refunding Bonds, [Series Designation], of Richland County, South Carolina” (the “Bonds”) for the purpose stated in Section 1(l) of this Ordinance.

The refunding of the Bonds to be Refunded shall be effected with a portion of the proceeds of the Bonds which proceeds shall be used for the payment of the principal of such Bonds to be Refunded as and when such Bonds to be Refunded mature and are called for redemption in accordance with the provisions of the 2003 Ordinance and interest on such Bonds to be Refunded as and when the same becomes due. If necessary, notice of the aforesaid refunding for which a portion of the proceeds of the Bonds will be used shall be given in a financial paper published in the City of New York, State of New York.

Upon the delivery of the Bonds, the principal proceeds thereof, less issuance expenses, shall be deposited with Wells Fargo Bank, N.A. (the “Escrow Agent”) and held by it under a written refunding trust agreement between the Escrow Agent and the County (the “Refunding Trust Agreement”) in an irrevocable trust account. It shall be the duty of such Escrow Agent to keep such proceeds invested and reinvested to the extent that it shall be practical in obligations of the United States or any agency thereof and to apply the principal and interest of the trust so established in the manner prescribed in such Refunding Trust Agreement.

The ~~County~~ Administrator and/or his lawfully-authorized designee are hereby authorized and directed for and on behalf of the County to execute such agreements and give such directions as shall be necessary to carry out the provisions of this Ordinance, including the execution and delivery of the Refunding Trust Agreement. The Refunding Trust Agreement shall be dated the date of delivery of the Bonds to the initial purchasers thereof.

Upon the award of the Bonds, the County shall designate the Bonds to be Refunded for redemption on a date determined by the ~~County~~ Administrator and/or his lawfully-authorized designee in accordance with the 2003 Ordinance.

The Bonds shall be issued as fully registered Bonds registerable as to principal and interest; shall be dated as of the first day of the month in which they are delivered to the initial purchaser(s) thereof; shall be in denominations of \$5,000 or any integral multiple thereof not exceeding principal amount of Bonds maturing each year; shall be numbered from R-1 upward, respectively; shall bear interest from their date payable at such times as hereafter designated by the Administrator ~~of the County (the “Administrator”)~~ at such rate or rates as may be determined by the Administrator at the time of sale thereof; and shall mature serially in successive annual installments as determined by the Administrator.

Within twenty-four (24) hours after the receipt of bids, the ~~County~~ Administrator is hereby authorized to designate the registrar and paying agent (the “Registrar/Paying Agent”) for the Bonds. The Registrar/Paying Agent shall be a bank, trust company, depository or transfer agent located either within or without the State of South Carolina.

Both the principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which is, at the time of payment, legal tender for public and private debts.

By separate ordinance, the County intends to authorize the issuance and sale of general obligation refunding bonds in an amount sufficient to refund all or a portion of the County's \$20,600,000 General Obligation Bonds, Series 2001A dated August 1, 2001, and the County's \$13,435,000 General Obligation Refunding Bonds, Series 2001C dated August 1, 2001 (together, the "Series 2001 Bonds").

SECTION 3. Delegation of Authority Relating to the Bonds. The County Council hereby delegates to the Administrator the authority: (a) to determine the maturity dates of the Bonds and the respective principal amounts maturing on such dates; (b) to determine the interest payment dates of the Bonds; (c) to determine redemption provisions, if any, for the Bonds; (d) the date and time of sale of the Bonds; (e) to receive bids on behalf of the County Council; (f) to award the sale of the Bonds to the lowest bidder therefor in accordance with the terms of the Notice of Sale for the Bonds; (g) for purposes of continuing disclosure, whether the County shall execute a Disclosure Dissemination Agent Agreement or a Continuing Disclosure Certificate and approval of the provisions thereof; and (h) to determine whether the bonds authorized herein shall be sold together with the bonds authorized by separate ordinance to be issued and sold to refund the Series 2001A and Series 2001C Bonds.

After the sale of the Bonds, the Administrator or his lawfully-authorized designee shall submit a written report to the County Council setting forth the results of the sale of the Bonds.

SECTION 4. Registration, Transfer and Exchange of Bonds. The County shall cause books (herein referred to as the "registry books") to be kept at the offices of the Registrar/Paying Agent, for the registration and transfer of the Bonds. Upon presentation at its office for such purpose the Registrar/Paying Agent shall register or transfer, or cause to be registered or transferred, on such registry books, the Bonds under such reasonable regulations as the Registrar/Paying Agent may prescribe.

Each Bond shall be transferable only upon the registry books of the County, which shall be kept for such purpose at the principal office of the Registrar/Paying Agent, by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar/Paying Agent duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such Bond the Registrar/Paying Agent on behalf of the County shall issue in the name of the transferee a new fully-registered Bond or Bonds, of the same aggregate principal amount, interest rate and maturity as the surrendered Bond. Any Bond surrendered in exchange for a new registered Bond pursuant to this Section shall be canceled by the Registrar/Paying Agent.

The County and the Registrar/Paying Agent may deem or treat the person in whose name any fully-registered Bond shall be registered upon the registry books as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County nor the Registrar/Paying Agent shall be affected by any notice to the contrary. For every such transfer of Bonds, the County or the Registrar/Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer, and, except as otherwise provided herein, may charge a sum sufficient to pay the cost of preparing each Bond issued upon such transfer, which sum or sums shall be paid by the person requesting such transfer or by the County as a condition precedent to the exercise of the privilege of making such transfer. Neither the County nor the Registrar/Paying Agent shall be obliged to make any such transfer of Bonds during the fifteen (15) days preceding an interest payment date on such Bonds.

SECTION 5. Record Date. The County hereby establishes a record date for the payment of interest or for the giving of notice of any proposed redemption of Bonds, and such record date shall be the fifteenth (15th) day of the calendar month preceding each semiannual interest payment date on such Bond or in the case of any proposed redemption of Bonds, such record date shall be the fifteenth (15th) day prior to the giving of notice of redemption of bonds.

SECTION 6. Mutilation, Loss, Theft or Destruction of Bonds. In case any Bond shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the owner, the County shall execute and the Registrar shall authenticate and deliver at the principal office of the Registrar, or send by registered mail to the owner thereof at his request, risk and expense a new Bond of the same series, interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event the applicant for the issuance of a substitute Bond shall furnish the County and the Registrar evidence or proof satisfactory to the County and the Registrar of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity in an amount as may be required by the laws of the State of South Carolina or such greater amount as may be required by the County and the Registrar. Any duplicate Bond issued under the provisions of this Section in exchange and substitution for any defaced, mutilated or partly destroyed Bond or in substitution for any allegedly lost, stolen or wholly destroyed Bond shall be entitled to the identical benefits under this Ordinance as was the original Bond in lieu of which such duplicate Bond is issued, and shall be entitled to equal and proportionate benefits with all the other Bonds of the same series issued hereunder.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

SECTION 16. Filings with Central Repository. In compliance with Section 11-1-85, South Carolina Code of Laws 1976, as amended, the County covenants that it will file or cause to be filed with a central repository for availability in the secondary bond market when requested: (a) a copy of an annual independent audit of the County within thirty (30) days of the County's receipt thereof; and (b) within thirty (30) days of the occurrence thereof, event specific information of an event which adversely affects more than five (5%) percent of the tax revenues of the County or the County's tax base.

SECTION 17. Continuing Disclosure. In compliance with the Securities and Exchange Commission Rule 15c2-12 (the “Rule”) the County covenants and agrees for the benefit of the holders from time to time of the Bonds to execute and deliver prior to closing, and to thereafter comply with the terms of a Disclosure Dissemination Agent Agreement or a Continuing Disclosure Certificate, the form of which shall be approved by the ~~County~~ Administrator. In the event of a failure of the County to comply with any of the provisions of the Disclosure Dissemination Agent Agreement or Continuing Disclosure Certificate, an event of default under this Ordinance shall not be deemed to have occurred. In such event, the sole remedy of any bondholder or beneficial owner shall be an action to compel performance by the Ordinance.

SECTION 18. Deposit and Use of Proceeds. SECTION 20. Tax Covenants. The County hereby covenants and agrees with the Holders of the Bonds that it will not take any action which will, or fail to take any action which failure will, cause interest on the Bonds to become includable in the gross income of the Bondholders for federal income tax purposes pursuant to the provisions of the IRC and regulations promulgated thereunder in effect on the date of original issuance of the Bonds; provided, however, that for purposes of this covenant only, the County shall not be in violation of this covenant solely because it makes the irrevocable election under Section 54AA(d) or (g) (as applicable) of the IRC with respect to the Bonds to be issued as BABs. The County further covenants and agrees with the holders of the Bonds that no use of the proceeds of the Bonds shall be made which, if such use had been reasonably expected on the date of issue of the Bonds would have caused the Bonds to be “arbitrage bonds,” as defined in Section 148 of the IRC, and to that end the County hereby shall:

(a) comply with the applicable provisions of Sections 54AA, 103 and 141 through 150 of the IRC and any regulations promulgated thereunder so long as the Bonds are outstanding;

This Bond shall not be entitled to any benefit under the Ordinance (hereafter defined), nor become valid or obligatory for any purpose, until the certificate of authentication hereon shall have been duly executed by the Registrar.

For the payment of the principal and interest on this Bond as they respectively mature, and for the creation of a sinking fund as may be necessary therefor, the full faith, credit, and taxing power of the County are irrevocably pledged, and there shall be levied annually by the Auditor of ~~Richland~~the County, and collected by the Treasurer of ~~Richland~~the County, in the same manner as other County taxes are levied and collected, a tax, without limit, on all taxable property in the County, sufficient to pay the principal of and interest on the Bonds as they respectfully mature, and to create a sinking fund as may be necessary therefor; provided, however, that the County Council does hereby pledge the revenues derived from the operation of the System after defraying the costs of operation and maintenance of the System to the payment of principal of and interest on the Bonds, as authorized by Chapter 23 of Title 11 of the Code of Laws of South Carolina 1976, as amended; provided, further, that County Council does hereby covenant to establish and maintain

The County Council, acting through its Chair, shall give the Auditor and Treasurer of the County written notice of the delivery of and payment for the Bonds and they are hereby directed to levy and collect annually, on all taxable property in the County, a tax, without limit, sufficient to pay the principal of and interest on the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

STATE OF SOUTH CAROLINA
COUNTY COUNCIL FOR RICHLAND COUNTY
ORDINANCE NO. ___-11HR

AN ORDINANCE AMENDING THE RICHLAND COUNTY CODE OF ORDINANCES, CHAPTER 2, ADMINISTRATION; ARTICLE VII, BOARDS, COMMISSIONS AND COMMITTEES; SO AS TO REORGANIZE THE SECTIONS AND TO PROVIDE FOR CONTINUING SERVICE OF MEMBERS UNTIL A SUCCESSOR IS APPOINTED.

SECTION I. The Richland County Code of Ordinances, Chapter 2, Administration; Article VII, Boards, Commissions and Committees; is hereby amended as follows:

Sec. 2-326. In general.

All provisions of this article shall apply to the boards, commissions, and committees enumerated in this article, as well as to all other boards, committees and commissions appointed and/or created by Richland County Council. Except as otherwise provided by law or by the council, such boards and commissions shall elect a chairman and a vice-chairman and shall prescribe their own rules of procedure. Such boards and commissions may establish such bylaws, rules and regulations, not inconsistent with ordinances of the council or applicable state law, as they deem appropriate and necessary for the conduct of their affairs. Copies thereof shall be filed with the clerk.

Sec. 2-327. Terms of service.

(a) The members of such boards, commissions and committees shall not serve more than two (2) consecutive terms; provided, however, that upon service of two (2) consecutive terms a member may be eligible for reappointment after one year of non-service. Provided, however, that an individual serving in a executive position on a county board, commission, or committee shall be allowed to complete the term for that position when the individual's term on the board, commission expires prior to the expiration of the executive appointment. Further provided, regional boards, commissions and committees are exempt from the two (2) consecutive term limits requirement whenever the other jurisdiction(s) appointing said members do not limit the number of terms held by their appointee(s).

(b) Notwithstanding any other provision of this Article, any member serving on a board, commission or committee may continue to serve until such time as an advertisement has appeared in the local newspaper and a successor has been duly appointed; provided, however, the term of an elected member (who is serving on a board commission or committee) ends when such member is no longer serving in the capacity of an elected member.

Sec. 2-328. Removal from service.

In the event that any appointee to a board, committee, or commission misses five out of twelve meetings of the board, committee, or commission to which he has been appointed, he shall automatically lose his membership, and his seat shall be declared vacant. The chairman of

the board, committee or commission shall notify the chairman of county council, in writing, upon any of its members accumulating five absences out of twelve meetings. The county council may, in its discretion, waive enforcement of this provision in the case of illness, death of a family member, court appearance, or other similar circumstances, beyond the control of the appointee. In addition, the members of such boards and commissions may be removed for cause by majority vote of the council. The provisions of this section shall be applicable to the boards, committees, and commission enumerated in this article, as well as to any other board, committee or commission appointed by the Richland County Council.

I am a partner with the law firm of Nelson Mullins Riley & Scarborough, LLP where my practice concentrates on construction, environmental and planning issues and commercial business related matters. Prior to entering the legal field, I obtained a Masters Degree from the University of Virginia in Urban and Environmental Planning and worked as a planner and landscape designer for several years interacting with various planning commissions and boards. Over the years I have been involved with the Chamber of Commerce and worked on various task forces relating to planning in Richland County. In that capacity, I have worked closely with citizens and various interested parties and groups to develop both the framework and details for final implementation of the proposed Land Development Code. Thus, I believe I bring understanding, education and experience to bear on many important issues facing our community.

Likewise, I served as a Commissioner for eight years and served as Chair for four of those years. During that time, we commenced and completed a rewrite of the Richland County Land Development Code, began updating the Comprehensive Plan, and engaged in numerous discussions with a variety of stakeholders. While not always agreeing on specific issues, we were able to come to a consensus and present to Council unified documents. During the eight years on the Commission, I missed only a handful of regular and special call meetings and took great pride in being involved in the growth of the county.

As you can tell, I am extremely interested in the future growth and direction of our county, and therefore, feel that I would be a valuable and conscientious member of the Planning Commission. I am strongly committed to the process of implementing proper planning in Richland County while addressing the needs, concerns and fears of the county and its citizens. In that regard, I believe a commitment to fair, balanced and reasonable planning and decision making is a must. I believe I have, and have demonstrated, the ability to act as a consensus builder and move the planning process forward. Consequently, I believe, if appointed, I could bring these necessary skills to the Planning Commission as it wrestles with the serious decisions it must make in these economic times.
