

# Home damaged by the October 2015 flood? Help is still available.

Richland County received an additional \$7.254 million in Community Development Block Grant-Disaster Recovery (CDBG-DR) funding to assist even more residents.

CDBG-DR funds primarily benefit low- to moderate- income residents living in Richland County excluding the City of Columbia.

To apply visit [richlandcountysc.gov/floodrecovery](http://richlandcountysc.gov/floodrecovery)  
or visit the Flood Recovery Office at the  
County Administration Building, 2020 Hampton St., Columbia

**Intake begins May 21, 2018**

*Note: If you missed the first round of assistance or received notice your application was received, please inquire about this additional grant funding.*
