Mr. Eric Harris

7. Other Business

• Next scheduled meeting: May 16, 2022 Mr. John P. Epting

• TPAC Membership Update

8. Adjournment

Transportation Penny Advisory Committee Report

OSBO Manager's Report

April 18, 2022

1. Executive Summary:

This report is submitted pursuant to Ordinance (s) 049-13HR and 058-16HR to ensure that the OSBO team provides support to the County to ensure that the SLBE has equal opportunity to participate in County contracts for all six (6) Industry Categories.

Primary Industry Category									
Construction	Professional	Non-Professional	Engineering Services	Architectural	Wholesale				
Services	Services	Services		Services	Operations				

2. Purpose:

The purpose of this report is to manage the ongoing requirements of the Ordinance(s), and ensuring payment to contracted SLBEs.

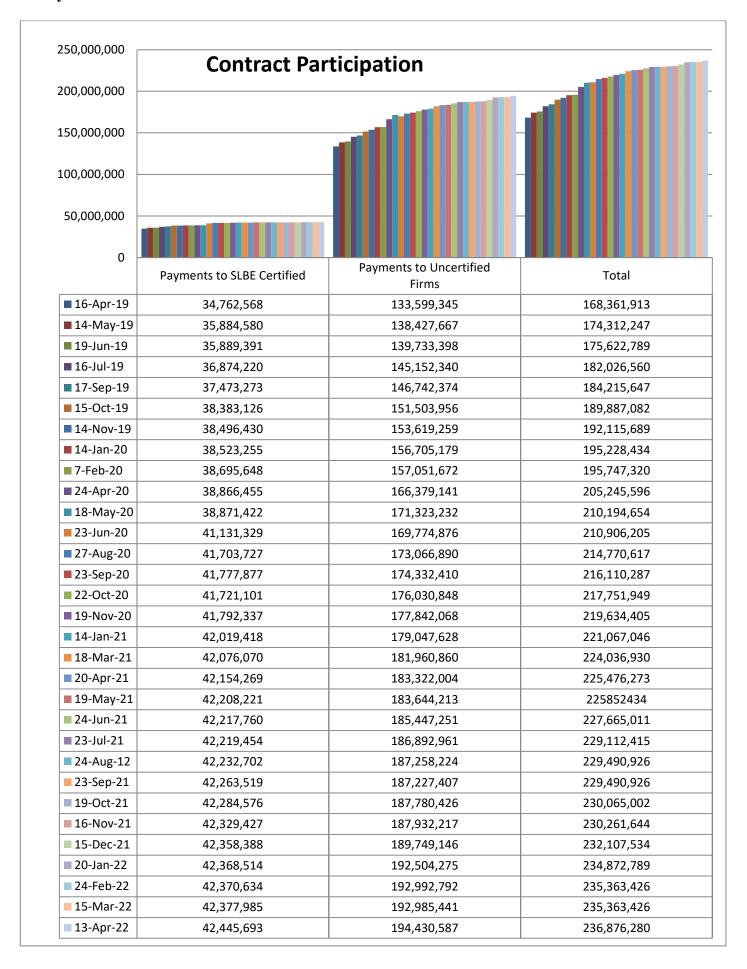

3. Office of the Small Business Opportunity Cross Functional Team

Team Matrix									
Name	Department	Title							
Vacant	GCS	Director of GCS							
Vacant	Transportation	Director of Transportation							
Bryant Davis	GCS	Asst. Director of GCS

6. Department Outlook:

- i. OSBO is reestablishing our collaboration efforts with our business and community partners and members of Richland County Council.
- ii. The Office has set a goal of expanding our SLBE Certification list by 60. Especially in specialty categories highly utilized at Richland County.
- iii. OSBO will continue to work with all county departments encouraging the utilization of our SLBEs.
- iv. OSBO is seeking ways to identify and increase contracting opportunities not just with Richland County Government, but also with our partners.
- v. OSBO is continuously setting SLBE utilization goals on a contract-by-contract basis on Richland County projects to include Transportation projects.
- vi. OSBO is in the process of upgrading our Business Development area. We will offer 1:1 business coaching and counseling services, access to capital coaching, business plan development, marketing coaching and assistance with various certification processes.
- vii.OSBO will continue to offer technical trainings and workshops for our small business community. OSBO is reviewing and updating the current SOPs, Policy and Procedure Manuals and the Ordinances.

• Business Development

- i. OSBO Website Highlights
- ii. Highlighted Article
 - Featured Story
 - Superior Heating and Air Conditioning, LLC
- iii. Manage and coordinate workshops and events to ensure SLBEs and local SBE have opportunities to attend technical and administrative training
 - Continuing to focus on workshops which provides information to our internal departments about OSBO, and encouraging them to utilize our SLBEs as they make their purchases in the upcoming FY22/23.
 - Continuing to work with our partners on collaborative efforts for our technical workshops and trainings.
- iv. Attend and participated in following outreaches that provide exposure and awareness of the services the OSBO Office offers to the local business community:
 - Coffee with Carl Columbia Chamber weekly meeting exchange of current information and events.
 - 1 Million Cups Columbia, weekly meetings networking with entrepreneurs and exchanging of information and ideas. Connected to three potential prospects for SLBE certifications.
 - Richland Library Community Partners Meeting (April 4, 2022).
 - Participated in SBA Doing Business with the Federal Government Information Session (April 5, 2022).
 - Columbia Small Business Council, monthly meetings via Zoom to discuss needs of business owners, local resources, and networking events. (April 8, 2022).

• Certification and Compliance Report

April 14, 2022

- i. Conducted to (2) Site Visits for Certification
 - Site visits provide validation of business, owner equipment, etc. OSBO staff members had the opportunity to interview owner and answer questions from the owner. The site visits was in areas of Professional Services.
- ii. Contacted and sent renewal (14 pending) notices to SLBEs
 - OSBO reporting provides a 30/60/90 days of implementing renewals to help retain our SLBEs
- iii. Posted payments for Prime Contractors
 - Posted payment for Prime Contractors in the Supplier Diversity Management System (B2g) which allows subcontractor to confirm payments
- iv. Participated in the SAM (System for Awards Management) Webinar.

- The webinar provided information on how to be eligible and how to search for Federal Contracts.
- v. Met With Transportation Project Manager to set utilization goals for Blythewood Road Widening (April 17, 2022), Sunset Drive Sidewalk Improvement & Brookfield Road Sidewalk Project (April 30, 2022).

• Program Coordination

- i. CV-19 small business relief grant application portal closed on December 20, 2021. Approximately 30 have been identified for further review and approval. OSBO working with Community Development and Finance to finalize the process.
- ii. Workshops were held for the "Seeds to Engage" Small Business Seed Grant to assist with Pitch preparation. Tentatively looking to launch the Seed Grant in Spring of 2022.

Transportation Update- April 18, 2022

General Information

Committee\Council Approvals

Upcoming Committee\Council Items

- Garners Ferry\Harmon Intersection Construction Award Committee April 26, 2022
- South Fork Ventures, LLC Mitigation Credits Committee April 26, 2022

Pre-Construction Update

- <u>Alpine Rd. Sidewalk</u> Final construction plan comments have been received from SCDOT, and the OET is in the process of responding. Utility coordination is being finalized.
- Atlas Rd. Widening OET is working to address final plan comments from SCDOT. City is still working to obtain several easements they need for the water relocation. CSX has requested that a few changes be made to the signal arms at their crossing so the OET will need to address these comments also before submitting final plans to SCDOT for approval. Staff has approved a modification for the OET to address the SCDOT and CSX comments.
- <u>Bluff Rd. Widening Phase 2</u> The OET has submitted preliminary ROW plans and cost estimate to the County for review. Staff has provided comments on the plans and cost estimate, the OET is addressing at this time.
- <u>Blythewood Rd. Widening</u> ROW certification is being performed to ensure that all property needed has either been acquired or eminent domain procedures have been started on. The OET has begun finalizing the bid package for advertisement, and the Utility Coordinator is completing the final utility report and compiling final utility documents to incorporate into the bid manual.
- <u>Blythewood Rd. Area Improvements</u> Preliminary construction plans have been submitted to SCDOT for McNulty St. Preliminary construction plans have been submitted to the County for Creech Rd.
- Broad River Rd. Corridor NIP The OET has begun work on surveying the site and performing traffic studies.
- <u>Broad River Rd. Widening</u> The OET is working to update the current preliminary plans to meet SCDOT's 2021 design standards.
- <u>Bull\Elmwood Intersection</u> —The utility coordinator is compiling the final utility report and all utility documents to be included in the bid manual. ROW certification has been completed, and the OET is working to prepare the project\bid manual for advertisement.
- <u>Crane Creek NIP</u> The OET is finalizing the ROW plans for phase 2. Preliminary plans for phase 3 were submitted to SCDOT and comments have been received, which the OET is working to address.

• <u>Crane Creek Greenway</u> –The County has received a preliminary rejection from the railroad to allow the greenway to go under their bridge and has a meeting set up with NS to discuss this further. The County, City and OET met with NS to discuss the proposed trail under the railroad's bridge. NS was still pretty unreceptive of the idea so the OET is working to come up with ideas on how to meet the railroad's requirements to install the trail under their bridge. As a backup, they are looking at an alternative route for the greenway.

Decker\Woodfield NIP –

- O Brookfield Rd. Sidewalk\Chatsworth Connector SCDOT has provided comments on the final construction plans, and the OET is working to address them. A maintenance agreement between the County and RCRC will need to be executed in order for RCRC to take over permanent maintenance of the Connector. This item is anticipated to go to RCRC's board on in May for approval. This portion of the NIP will also have intersection pedestrian improvements along Decker Blvd. added to it, which will include work at the intersection of Decker Blvd. with O'Neil Ct, Brookfield Rd, Faraway Dr., and Percival Rd.
- Hunt Club Rd The OET is working on 30% plans.
- <u>Dirt Road Paving Package N</u> is being finalized and is anticipated to be advertised in the spring\summer of 2022.
- Garners Ferry\Harmon Intersection Bids were received April 13th and are under review.
- Gills Creek Greenway The OET has provided a preliminary layout that will fit within our current available funding for this project. This new layout will run along Timberlane Dr. up to an existing, unused ROW stubout for a Bright Ave. extension. SCDOT has verified they own this ROW but has stated they would not be willing to turn this over to the County or City because of possible future development on the lots to either side of it. We have proposed an encroachment permit to start our trail at the end of their ROW and are waiting for a response back.
- Lower Richland Blvd. Widening The OET is working on finalizing preliminary plans.
- Percival Rd. Sidewalk The OET is in the process of completing the construction plans to be submitted
 to SCDOT for approval. There is a portion of the existing roadway shoulder that has some failure and
 the County has asked that SCDOT perform repair on this before we construct our sidewalk project.
 SCDOT has responded back that they will not repair the area so the County will be incorporating the
 repair into its sidewalk project.
- <u>Pineview Rd. Widening</u> The OET is working on 30% preliminary plans for the descoped plans for this project.
- <u>Polo Rd. Widening</u> The OET is working to finalize the 30% preliminary plans for the descoped plans for this project.

- Resurfacing Package S Staff has finalized the list of roads that will be included in this package and is in the process of getting a list of quantities and cost estimate finalized.
- Resurfacing Package T Staff has finalized the list of roads that will be included in this package and is
 in the process of getting a list of quantities and cost estimate finalized.
- <u>Screaming Eagle\Percival Intersection</u> An SLBE goal has been set, and the OET is finalizing the bid documents. Our Utility Coordinator is working with ATT to finalize their relocation plans. It is anticipated that this project will be advertised by the end of April.
- Shop Rd. Widening —. The OET has completed their analysis of the existing drainage system in the area of George Rogers Blvd\Shop Rd\Rosewood and has discovered that the existing system is significantly undersized. Staff is in the process of scheduling a meeting with SCDOT to discuss what will be the County's and what will be SCDOT's responsibility on upsizing the system.
- <u>Smith\Rocky Branch Greenway</u> The OET is working to finalize ROW plans. 30% structural plans have been submitted to the City for review.
- <u>Spears Creek Church Road Widening</u>- The OET is waiting for final approval from SCDOT on the preliminary plans. Preliminary utility coordination has begun.
- <u>Sunset Dr. Sidewalk</u> The OET is in the process of completing the construction plans to be submitted to SCDOT for approval.
- <u>Trenholm\Newcastle NIP</u> The OET has submitted preliminary plans to the County for review, and County has provided feedback. Staff attending a community meeting on 4/13 to answer questions about the project.

Construction Update

- <u>Dirt Road Package K</u>- Approximately 90% complete.
 - o Robert James Rd., Rocky Rd., Barkley Rd., South Dr.
- Dirt Road Package L Contractor has performed clearing\grubbing on all three roads.
 - o Dogwood Shores Ln., Lake Dogwood Cir. S, Wider Rd.
- <u>Dirt Road Package M</u> –This will include the following roads: Bow String Rd., Maggie Hipp Rd., Rosa
 Dowdy Rd., and Tall Oaks Dr. Contractor has mobilized to Bow String Rd.
- <u>Innovista Phase II</u>- Approximately 90% complete. Completion estimated in June 2022.
- North Main Street The County has approved change order 6 and has submitted to SCDOT for their approval, which will allow the intersection with Monticello Rd. to be completed.
- Resurfacing Package R- Approximately 90% complete.
- <u>Three Rivers Greenway</u> Ph. 1B Construction is complete, and a final walkthrough has been performed. Contractor is addressing punchlist items.

SUBJECT: The COMET – Planning Activities Update

Over the past couple of months, The COMET has focused its planning efforts on adjusting to the "New Normal" of transit. The following planning activities from 03/21/2022 through 04/18/2022 are listed below:

- Developed cost escalation strategies for on-going projects
- Discussed changes in service agreement for amenity contractors
- Continued to manage Lucius & River SuperStop project
- Revised schedules and route alignments in Remix for upcoming service change
- Continued discussion of Soda Cap service strategies
- Assisted in providing data/information for National Transit Database (NTD)
- Continued schedule auditing process with Swiftly
- Continued update of turn sheets
- Conducted site plan reviews
- Continued to coordinate plans for all construction projects for new bus stop amenities
- Continued monitoring of service on the road and issues with routes/vehicles
- Held project bi-weekly meetings with AOS, Brownstone, Gateway, UTA, and UofSC

Ridership Report

February		20	21		Difference from Previous Year				
Route	Description	Boardings	Boardings per vehicle hour	Boardings	Boardings Per hour or Trip (Efficiency)	Subsidy per passenger	Farebox Recovery Ratio	Boardings	E fficiency
y y	All Boardings Total	184,337		116,197				▼ -68,140	
totals	Fixed-Route Total	171,614	13.4	111,063	8.3	\$ 6.86	13.7%	▼ -60,551	-5.1

Reimagine The COMET

- The COMET officially launched the Reimagine The COMET planning effort on July 6, 2020 where local planners and staff representatives discussed community needs for transit. Elected officials were welcomed to join a daily 4 p.m. call to provide any additional feedback.
 - Using the project timeline listed below, The COMET is in the final stages of the public outreach phase. The Reimagine The COMET website was released to the public on September 1, 2020.
- The board voted to design service to support 60% ridership and 40% coverage.
 - The COMET met with City of Columbia, Richland County, and other stakeholders to redesign service based on the Board's recommendation
 - Online survey remains open to the public for feedback until further notice.
- The COMET recently received the revised service map that was reviewed by The COMET Service Committee March 9, 2022.
 - Plans are now being developed for public outreach.
