- Is your product ready to go to market?
- Are you trying to persuade buyers to put your product in their stores, or are you applying for a business grant?
- This workshop will help you master persuasion and learn how to pitch your product or services to potential investors, panel experts, or anyone looking to invest in the growth of your business.

Register to attend this exciting theory and practical workshop.

Also, learn about the \$10,000 Seed Grant Opportunity available starting in January 2022 through Richland County's Office of Small Business Opportunity, in partnership with Richland County Community Development.

****Eligibility for this grant requires a pitch and business plan****
