Subject: Knollwood Drive Drainage Project Public Meeting

Dear Current Residents/Property Owners/Interested Public,

This letter serves as a notice for public meeting from the Stormwater Management Division of the Richland County Department of Public Works regarding the Flooding/erosion/scouring issue of an open channel located parallel to Planters Drive behind Knollwood Drive.

CDM Smith, a private engineering firm completed the drainage study and proposed several options to the County along with associated costs. Richland County Department of Public Works evaluated all the options, the engineer's recommend of buyouts for the properties affected by the flooding/erosion/scouring was chosen. The County applied for Hazard Mitigation Grant funding and that has been approved. More details regarding the project and path forward will be discussed in the public meeting. This letter serves as an official invitation to you to attend the public meeting and be part of the solution to this long standing problem.

**Venue of Public Meeting:** Woodland Recreational Center, behind Meadowfield Elementary  
6500 Olde Knights Pkwy, Columbia SC 29209

**Date & Time of Public Meeting:** September 20, 2018, Wednesday at 6:30PM

Your patience and dedication to getting this problem solved is greatly appreciated. Feel free to contact me at 576-2465 for further questions, concerns or comments regarding this matter.

Sincerely,

Synithia Williams,  
Stormwater Manager, Department of Public Works

Cc: Ismail Ozbek, Richland County Public Works Director  
Stephen Staley, Richland County Engineer  
Allison Steele, Richland County Stormwater Engineer  
Judy Carter, Richland County Ombudsman

Subject: Knollwood Drive Drainage Project Public Meeting

Dear Current Residents/Property Owners/Interested Public,

This letter serves as a notice for public meeting from the Stormwater Management Division of the Richland County Department of Public Works regarding the Flooding/erosion/scouring issue of an open channel located parallel to Planters Drive behind Knollwood Drive.

CDM Smith, a private engineering firm hired by the Stormwater Department completed the drainage study and proposed several options to the County along with associated costs. Richland County Department of Public Works evaluated all the options, engineer's recommendation and decided to get public input on the issue. More details regarding the project and path forward will be discussed in the public meeting. This letter serves as an official invitation to you to attend the public meeting and be part of the solution to this long standing problem.

**Venue of Public Meeting:** Decker Center Community Room  
2500 Decker Blvd, Columbia SC 29206

**Date & Time of Public Meeting:** April 19, 2017, Wednesday at 6:00PM

Your patience and dedication to getting this problem solved is greatly appreciated. Feel free to contact me at 576-2465 for further questions, concerns or comments regarding this matter.

Sincerely,

Synithia Williams,  
Stormwater Manager, Department of Public Works
