* zip code exists within Richland County

Any zip code listed may extend beyond Richland County or the 50 mile buffer. The Municipality listed may not itself reside within the county or buffer.

**SOURCES: US Census Bureau: the zip codes listed here are based on 5 digit Census zip code tabulation areas (ZCTAs). These approximate United States Postal Service (USPS) zip codes. The ZCTAs were cross referenced with the USPS zip code lookup service available through www.usps.com to obtain corresponding municipality names, to determine any special zip code designations (PO Boxes & unique), and to augment the ZCTAs where possible. City and Town approximate locations were obtained from the Census Bureau.
